### ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN (ESCP)

10 July 2023

## ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Central African Economic and Monetary Community (CEMAC) (the Recipient) shall implement the Harmonizing and Improving Statistics in West and Central Africa Project-Series of Projects Two (HISWACA-SOP2) (P180085) (the Project), with the involvement of the CEMAC Commission Statistics Department as set out in the Financing Agreement (with Project Implementation Unit -PIU). The International Development Association (the Association) has agreed to provide financing for the Project, as set out in the referred agreement.
2. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Association. The ESCP is a part of the Financing Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreements.
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Recipient shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to the Association. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Association.
4. As agreed by the Association and the Recipient, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Recipient through the CEMAC Commission Statistics Department and the Association agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Recipient, represented through the President of the CEMAC Commission. The Recipient shall promptly disclose the updated ESCP.

## ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of Cameroon (the Recipient) shall implement the Harmonizing and Improving Statistics in West and Central Africa Project-Series of Projects Two (HISWACA-SOP2) (P180085) (the Project), with the involvement of the National Institute of Statistics (NIS) (the Project Implementing Entity or PIE), and in association with the Ministry of Finance and Ministry of the Economy, planning and regional development and other sectoral ministries, as set out in the Financing Agreement and the Project Agreement. The International Development Association (the Association) has agreed to provide financing for the Project, as set out in the referred agreements.
2. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Association. The ESCP is a part of the Financing Agreement and Project Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreements.
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Recipient shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to the Association. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Association.
4. As agreed by the Association and the Recipient, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Recipient through the NIS and the Association agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Recipient, represented by the Minister of Economy, planning and regional development . The Recipient shall promptly disclose the updated ESCP.

## ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Central African Republic (the Recipient) shall implement the Harmonizing and Improving Statistics in West and Central Africa Project-Series of Projects Two (HISWACA-SOP2) (P180085) (the Project), with the involvement of the Central African Institute of Statistics and Economic and Social Studies (CAISESS) (the Project Implementing Entity or PIE), the Ministry of Economy, Planning and International Cooperation, the Ministry of Primary, Secondary, Technical and Literacy Education, the Ministry of Livestock and Animal Health and the Ministry of Agriculture and Rural Development as set out in the Financing Agreement and the Project Agreement. The International Development Association (the Association) has agreed to provide financing for the Project, as set out in the referred agreements.
2. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Association. The ESCP is a part of the Financing Agreement and Project Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreements.
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Recipient shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to the Association. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Association.
4. As agreed by the Association and the Recipient, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Recipient through the CAISESS and the Association agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Recipient, the Executive Director of CAISESS. The Recipient shall promptly disclose the updated ESCP.

## ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of Chad (the Recipient) shall implement the Harmonizing and Improving Statistics in West and Central Africa Project-Series of Projects Two (HISWACA-SOP2) (P180085) (the Project), with the involvement of the National Institute of Statistics, Economic and Demographic Studies (Institute National de la Statistique, des Etudes Economiques et Démographiques) (INSEED) (the Project Implementing Entity or PIE), and in association with the Ministry of Economic Prospects and International Partnerships, and other sectoral ministries involved, as set out in the Financing Agreement and the Project Agreement. The International Development Association (the Association) has agreed to provide financing for the Project, as set out in the referred agreements.
2. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Association. The ESCP is a part of the Financing Agreement and Project Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreements.
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Recipient shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to the Association. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Association.
4. As agreed by the Association and the Recipient, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Recipient through the INSEED and the Association agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Recipient, through the Minister of Economic Prospects and International Partnerships. The Recipient shall promptly disclose the updated ESCP.

## ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of Gabon (the Borrower) shall implement the Harmonizing and Improving Statistics in West and Central Africa Project-Series of Projects Two (HISWACA-SOP2) (P180085) (the Project), with the involvement of the Directorate General of Statistics (DGS), and in association with the National Committee for Works of Public Interest for Promotion of Entrepreneurship and Employment (CN-TIPPEE) (Project Implementation Unit) under the Ministry of Economy, and other sectoral ministries, as set out in the Financing Agreement. The International Bank for Reconstruction and Development (the Bank) has agreed to provide financing for the Project, as set out in the referred agreement.
2. The Borrower shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Bank. The ESCP is a part of the Financing Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreement.
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Borrower shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to the Bank. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Bank.
4. As agreed by the Bank and the Borrower, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Borrower through the CN-TIPPEE and the Bank agree to update the ESCP to reflect these changes through an exchange of letters signed between the Bank and the Borrower, represented by the Minister of Economy. The Borrower shall promptly disclose the updated ESCP.

## ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of Congo (the Recipient) shall implement the Harmonizing and Improving Statistics in West and Central Africa Project-Series of Projects Two (HISWACA-SOP2) (P180085) (the Project), with the involvement of the Ministry of Planning, Statistics and Regional Integration (MPSIR) (the Project Implementing Entity or PIE), and with association of the National Institute of Statistics, national school of statistics, and other sectoral ministries as set out in the Financing Agreement and the Project Agreement. The International Development Association (the Association) has agreed to provide financing for the Project, as set out in the referred agreements.
2. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Association. The ESCP is a part of the Financing Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreements.
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Recipient shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to the Association. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Association.
4. As agreed by the Association and the Recipient, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Recipient through the MPSIR and the Association agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Recipient, the Executive Director of INS. The Recipient shall promptly disclose the updated ESCP.
