Other Relevant Procurement Information.

Since the Bank has no SPD for wheat, standard procurement documents used by GASC were reviewed, and it was agreed by GASC that these documents will need to include the World Bank's anticorruption provisions including the condition that no contract should be awarded to World Bank's ineligible firms. These documents also will be amended to ensure consistency with Sections I, II and III of Procurement Regulations. The World Bank will work with GASC to ensure that the following requirements

are met: (i) bidding documents and offers will be in English language; (ii) the bidding documents will specify a clear basis for evaluation and award decisions; (iii) bid openings should be conducted publicly; (iv) the Bank does not finance directly the costs of agents that are paid by suppliers (the Bank strongly recommends to publish the agents' fees and their disclosure as part of the bid; and v) a clear complaint process will be required (accessible electronically) and the World Bank should be notified immediately of any complaints.
