Preamble

In accordance with paragraph 5.9 of the "World Bank Procurement Regulations for IPF Borrowers" (July 2016, revised November 2017 and August 2018) ("Procurement Regulations") the Bank's Systematic Tracking and Exchanges in Procurement (STEP) system will be used to prepare, clear and update Procurement Plans and conduct all procurement transactions for the Project.

This textual part along with the Procurement Plan tables in STEP constitute the Procurement Plan for the Project. The following conditions apply to all procurement activities in the Procurement Plan. The other elements of the Procurement Plan as required under paragraph 4.4 of the Procurement Regulations are set forth in STEP.

The Bank's Standard Procurement Documents: shall be used for all contracts subject to international competitive procurement and those contracts as specified in the Procurement Plan tables in STEP.

National Procurement Arrangements:

In accordance with paragraph 5.3 of the Procurement Regulations, when approaching the national market (as specified in the Procurement Plan tables in STEP), procurement under World Bank financed operations may be carried out in accordance with "Single-Stage Bidding" method set forth in the Public Procurement Law of the Kyrgyz Republic dated April 3, 2015 № 72 (the "PPL") with amendments dated November 18, 2016 No. 182, December 10, 2016 No. 195, February 14, 2017 No. 25, May 30, 2017 No. 93, March 29, 2018 No. 32, January 11, 2019 No. 4, June 26, 2019 No. 76, 20 April 2020 No. 48, December 18, 2020 No. 8, March 5, 2021 No. 28, provided that such arrangements continue to meet requirements of the paragraph 5.4 of the Procurement Regulations and the following conditions:

- Implementing agency shall have an option to publish procurement notice without disclosing cost estimate.

When other national procurement arrangements other than national open competitive procurement arrangements are applied by the Borrower, such arrangements shall be subject to paragraph 5.5 of the Procurement Regulations. Other national procurement arrangements such as "Simplified Method" (Request for Quotation) may be applied on the same conditions stated above for procuring limited quantities of readily available off-the-shelf goods or simple civil works of small value. In addition, not less than three quotations shall be requested to ensure competition.
