**Preamble**

In accordance with paragraph 5.9 of the "Procurement Regulations for Borrowers Seeking Investment Project Financing (IPF)" of November 2020 ("Procurement Regulations"), the Electronic System of the Bank for the Systematic Monitoring of Public Procurement Transactions (STEP) will be used to prepare, validate and update procurement plans and carry out all transactions related to the procurement of the project.

This text together with the procurement plan tables in the STEP (Systematic Tracking of Exchanges in Procurement) constitute the procurement plan for the project. The following conditions apply to all contracting activities in the contracting

plan. The other elements of the procurement plan as required by section 4.4 of the Procurement Regulations are set out in STEP.

***The Bank's Standard Procurement Files shall be used for all contracts subject*** to international competition, as well as for all other contracts subject to this obligation as specified in the tables of the STEP procurement plan.

**National procurement procedures** : In accordance with paragraph 5.3 of the Procurement Rules, in the event that the procurement procedure is conducted at the national level (as specified in the tables of the procurement plan included in STEP), the national procurement procedures of the country concerned may be used.

□ If the Borrower uses its own open national tender procedures as set out in the Public Procurement Act, 2003 (Act 663), which was amended in 2016 by the Public Procurement (Amendment) Act, 2016, (Act 914), and the related implementing texts, such arrangements shall be subject to the provisions of paragraph 5.4 of the Procurement Rules and to the following conditions:

- *The tender/proposal documents oblige the Bidder(s) submitting a Bid/Proposal to submit a signed approval, which will be attached to any contract, to confirm that it complies with the Bank's Anti-Corruption Guidelines, including without limitation, the Bank's right to sanction and the Bank's rights for inspection and audit;*
- *The procurement documents contain arrangements agreed with the Bank to mitigate environmental, social (including sexual exploitation and abuse and gender-based violence), and health and safety ("HSS") risks and impacts;*
- *The Bank's right to review the file and procurement activities.*

□ Where the Borrower uses procedures other than the national open tender, such procedures shall be in accordance with the provisions of paragraph 5.5 of the Procurement Rules.

***Leasing as specified in*** paragraph 5.10 of the Procurement Regulations: Leasing may be used for contracts indicated as such in the Procurement Plan. "*Not applicable*"

***Purchase of second-hand goods as*** specified in paragraph 5.11 of the Procurement Regulations is permitted for contracts indicated as such in the Procurement Plan. "*Not applicable*"

**National preference** as specified in paragraph 5.51 of the Procurement (**Supplies and Works**) Regulations.

**Hands-on Expanded Implementation Support (HEIS)** as specified in paragraphs 3.10 and 3.11 of the Procurement Regulations does not apply.
