#### Implementation Status and Key Decisions

Overall, the project is implementing as expected, with preparatory activities underway across all subcomponents. The project was formally launched on November 26, 2021. Updates per component are as follows:

Component 1: Empowering Girls through the Acquisition of Life Skills and the Promotion of a Safe School Environment (IDA US\$5.15 million, GPE US\$0.50 million equivalent).

12/23/2021 Page 1 of 9 Activities under subcomponent 1.1 are largely on track, with life skills and strengthening SRH education through girls' and boys' clubs, and community outreach strategies, about to begin.

Under subcomponent 1.2, the survey to assess the conditions of infrastructure of schools has been completed, and the preparation of construction guidelines has been started.

Component 2: Tackling Learning Poverty (IDA US\$7.27 million, GPE US\$0.70 million equivalent).

With regards to Component 2, several activities have been launched, including preschool teacher continuous professional development as well as development of teaching and learning materials to strengthen delivery of early learning. With regards to the learning assessment, the Government signed the contract with the *Programme d'analyse des systèmes éducatifs de la CONFEMEN* (PASEC) on December 3rd, and will be carrying out the National Student Learning Assessments at the same time with the support of the *Centro de Políticas Públicas e Avaliação da Educação* (CAED) from Brazil.

Component 3: Reaching the Most Vulnerable (IDA US\$0.39 million, GPE US\$0.75 million equivalent).

Activities are underway to start the design of special support to low-performing students who are at risk of failing and dropping out—promoting their learning, reducing the likelihood that they will drop out, and increasing the likelihood that they will succeed in school.

Component 4: Project Coordination, Monitoring and Evaluation, and Capacity Building (US\$2.19 million, US\$0.25 million equivalent).

The MEES has recruited a Project Coordinator, a Monitoring and Evaluation specialist, a Safeguards specialist and an international Project Management specialist.
