Section 1.12. Sufficiency of Applications and Documents

Each application and the accompanying documents and other evidence must be sufficient in form and substance to satisfy the Administrator that the Recipient is entitled to withdraw from the Grant Account the amount applied for and that the amount to be withdrawn from the Grant Account is to be used only for the purposes specified in this Agreement.

Section 1.13. Treatment of Taxes

It is the policy of the Administrator that no proceeds of the Grant shall be withdrawn on account of payments for any taxes levied in the territory in which the Recipient is located on goods or services, or on the importation, manufacture, procurement or supply thereof. To that end, if the amount of any taxes levied on or in respect of any item to be financed out of the proceeds of the Grant decreases or increases, the Administrator may, by notice to the Recipient, increase or decrease the percentage for withdrawal set forth or referred to in respect of such item in this Agreement as required to be consistent with such policy of the Administrator.

Section 1.14. Payment by the Administrator

The Administrator shall pay the amounts withdrawn by the Recipient from the Grant Account only to or on the order of the Recipient.

Section 1.15. Suspension by the Administrator

If any of the following events of suspension shall have occurred and be continuing, the Administrator may, by notice to the Recipient, suspend in whole or in part the right of the Recipient to make withdrawals from the Grant Account:

(a) The Recipient shall have failed to perform any other obligation under this Agreement.

(b) As a result of events which have occurred after the date of this Agreement, an extraordinary situation shall have arisen which shall make it improbable that the Project can be carried out or that the Recipient will be able to perform its obligations under this Agreement.

(c) Any other event specified in this Agreement for the purposes of this Section shall have occurred. The right of the Recipient to make withdrawals from the Grant Account shall continue to be suspended in whole or in part, as the case may be, until the event or events which gave rise to suspension shall have ceased to exist, unless the Administrator shall have notified the Recipient that the right to make withdrawals has been restored in whole or in part, as the case may be.

Section 1.16. Cancellation by the Administrator

If (a) the right of the Recipient to make withdrawals from the Grant Account shall have been suspended with respect to any amount of the Grant for a continuous period of thirty days, or (b) at any time, the Administrator determines, after consultation with the Recipient, that an amount of the Grant will not be required to finance the Project's costs to be financed out of the proceeds of the Grant, or (c) at any time, the Administrator determines, with respect to any contract to be financed out of the proceeds of the Grant, that corrupt or fraudulent practices were engaged in by representatives of the Recipient or of a beneficiary of the Grant during the procurement or the execution of such contract, without the Recipient having taken timely and appropriate action satisfactory to the Administrator to remedy the situation, and establishes the amount of expenditures in respect of such contract which would otherwise have been eligible for financing out of the proceeds of the Grant, or (d) at any time, the Administrator determines that the procurement of any item is inconsistent with the procedures set forth or referred to in this Agreement and establishes the amount of the expenditures in respect of such item which would otherwise have been eligible for financing out of the proceeds of the Grant or, (e) after the Closing Date, an amount of the Grant shall remain unwithdrawn from the Grant

Account, the Administrator may, by notice to the Recipient, terminate the right of the Recipient to make withdrawals with respect to such amount. Upon the giving of such notice, such amount of the Grant shall be cancelled.

Section 1.17. Amounts Subject to Special Commitment not Affected by Cancellation or Suspension by the Administrator

No cancellation or suspension by the Administrator shall apply to amounts subject to any special commitment entered into by the Administrator pursuant to Section 1.07 of the General Conditions except as expressly provided in such commitment.

Section 1.18. Effectiveness of Provisions after Suspension or Cancellation

Notwithstanding any cancellation or suspension, all the provisions of this Agreement shall continue in full force and effect except as specifically provided in this Agreement.

Section 1.19. Cooperation and Information

The Recipient and the Administrator shall cooperate fully to assure that the purposes of the Grant will be accomplished. To that end, the Recipient and the Administrator shall:

- (i) from time to time, at the request of any one of them, exchange views with regard to the progress of the Project, the purposes of the Grant, and the performance of their respective obligations under this Agreement; and furnish to the other party all such information related thereto as it shall reasonably request; and
- (ii) promptly inform each other of any condition which interferes with, or threatens to interfere with, the matters referred to in paragraph (i) above.

Section 1.20. Insurance

The Recipient shall insure or cause to be insured, or make adequate provision for the insurance of, the imported goods to be financed out of the proceeds of the Grant against hazards incident to the acquisition, transportation and delivery thereof to the place of use or installation. Any indemnity for such insurance shall be payable in a freely usable currency to replace or repair such goods.

Section 1.21. Use of Goods and Services

Except as the Administrator shall otherwise agree, the Recipient shall cause all goods and services financed out of the proceeds of the Grant to be used exclusively for the purposes of the Project.

Section 1.22. Plans and Schedules

The Recipient shall furnish, or cause to be furnished, to the Administrator promptly upon their preparation, the plans, specifications, reports, contract documents and construction and procurement schedules for the Project, and any material modifications thereof or additions thereto, in such detail as the Administrator shall reasonably request.

Section 1.23. Records and Reports

(a) The Recipient shall: (i) maintain records and procedures adequate to record and monitor the progress of the Project (including its cost and the benefits to be derived from it), to identify the goods and services financed out of the proceeds of the Grant, and to disclose their use in the Project; (ii) enable the Administrator's representatives to visit any facilities and construction sites included in the Project and to examine the goods financed out of the proceeds of the Grant and any plants, installations, sites, works, buildings, property, equipment, records and documents relevant to the performance of the obligations of the Recipient under this Agreement; and (iii) furnish to the Administrator at regular intervals all such information as the Administrator shall reasonably request concerning the Project, its cost and, where appropriate, the benefits to be derived from it, the expenditure

of the proceeds of the Grant and the goods and services financed out of such proceeds.

(b) Upon the award of any contract for goods or services to be financed out of the proceeds of the Grant, the Administrator may publish a description thereof, the name and nationality of the party to which the contract was awarded and the contract price.

(c) Promptly after completion of the Project, but in any event not later than six months after the Closing Date or such later date as may be agreed for this purpose between the Recipient and the Administrator, the Recipient shall prepare and furnish to the Administrator a report, of such scope and in such detail as the Administrator shall reasonably request, on the execution and initial operation of the Project, its cost and the benefits derived and to be derived from it, the performance by the Recipient and the Administrator of their respective obligations under this Agreement and the accomplishment of the purposes of the Grant.

Section 1.24. Maintenance

The Recipient shall at all times operate and maintain, or cause to be operated and maintained, any facilities relevant to the Project, and promptly as needed, make or cause to be made all necessary repairs and renewals thereof.

Section 1.26. Notices and Requests

Any notice or request required or permitted to be given or made under this Agreement and any other agreement between the parties contemplated by this Agreement shall be in writing. Such notice or request shall be deemed to have been duly given or made when it shall be delivered by hand or by mail, telegram, cable, telex or facsimile to the party to which it is required or permitted to be given or made at such party's address specified in this Agreement, or at such other address as such party shall have designated by notice to the party giving such notice or making such request. Delivery made by facsimile transmission shall be confirmed by mail.

Section 1.27. Evidence of Authority

The Recipient shall furnish to the Administrator sufficient evidence of the authority of the person or persons who will, on behalf of the Recipient, take any action or execute any documents required or permitted to be taken or executed by the Recipient under this Agreement, and the authenticated specimen signature of each such person.

Any action required or permitted to be taken, and any documents required or permitted to be executed, under this Agreement on behalf of the Recipient may be taken or executed by the representative of the Recipient designated in this Agreement for the purposes of this Section or any person thereunto authorized in writing by such representative. Any modification or amplification of the provisions of this Agreement may be agreed to on behalf of the Recipient by written instrument executed on behalf of the Recipient by the representative so designated or any person thereunto authorized in writing by such representative, provided that, in the opinion of such representative, such modification or amplification is reasonable in the circumstances and will not substantially increase the obligations of the Recipient under this Agreement. The Administrator may accept the execution by such representative or other person of any such instrument as conclusive evidence that in the opinion of such representative any modification or amplification of the provisions of this Agreement effected by such instrument is reasonable in the circumstances and will not substantially increase the obligations of the Recipient thereunder.
