**CERTIFICATE OF NON-COVERAGE  
(CNC-05CN-02J-084)**

E1992  
v4

The Environmental Management Bureau (EMB) of the Department of Environment and Natural Resources (DENR), Region V hereby grants this Certificate of Non-Coverage (CNC) to the Proposed Colasi Falls Mini-Hydro Project of Colasi Mini-Hydro Electric Power Plant Corp. with a capacity of 900 KW located at Barangay Colas, Mercedes, Camarines Norte, after it is found to be among those projects not covered by the purview of Presidential Decree No. 1586 and the provisions of DENR Administrative Order No. 96-37.

However, this Certificate of Non-Coverage is being issued subject to the following conditions:

1. That no project expansion as defined under the procedural guidelines of DAO 96-37 shall be undertaken without an Environmental Compliance Certificate secured from this Office;
2. That temporary shoring and/or slope protection structures shall be provided along steep slopes affected by the project to prevent occurrence of landslides or soil erosions;
3. That all solid/liquid wastes generated from the project's construction shall be properly managed and disposed in accordance with existing regulations;
4. That appropriate mitigating measures shall be instituted to prevent contamination/siltation of Colasi River during the implementation of the project; and
5. That all clearances/permits/licenses expressly required by the DENR and other government agencies/instrumentalities shall be secured/complied with upon the validity of this Certificate.

Given this 05 NOV 2002

**THIS CERTIFICATE SHALL NOT BE CONSTRUED AS A PERMIT**
