**DIRECTORY OF FELLOWS**  
*Twentieth Anniversary Issue*

**ECONOMIC  
DEVELOPMENT  
INSTITUTE  
OF THE  
WORLD BANK**

**June 1977**

## FOREWORD

This Directory lists the names of 4208 Fellows of the Institute who attended courses in Washington and overseas from 1956 through March 1977.

There are a few changes in format which we hope will make the Directory more useful to you. If you wish to locate an EDI Fellow, you will find the name in the alphabetical list with a cross-reference for the country of residence. Fellows nominated by a country are marked by a ● in the left margin by their names.

Many addresses have been changed since the last Directories were published in 1974 and 1975, but there are many which are still incorrect. Please use the form at the back of the book to inform us of your new address or title. We look forward to hearing from you.

Andrew M. Kamarck  
Director

June 1977
