evaluation, and the Supervising Entity or Implementer shall provide all relevant information within the limits of its policies and procedures. It is understood that any such review or evaluation will not constitute a financial compliance or other audit of the Trust Fund. All associated costs will be borne by the Contributor, unless otherwise agreed.

8.6. The Trustee shall require, and accept from, the Supervising Entities and Implementers that have received Trust Fund funds from the Trustee, periodic financial reports, including annual financial statements, audited or unaudited as agreed with Supervising Entities and Implementers and the Board. The Trustee shall make available such reports to the Contributors and to the Board through the Secretariat.

8.7. Upon the transfer of Trust Fund funds to Supervising Entities or Implementers, the Trustee shall have no responsibility for the use of the Trust Fund funds transferred and Activities carried out therewith. The cost of the single audit shall be borne by the Trustee. If a Contributor wishes to request, on an exceptional basis, a financial statement audit by the Trustee's external auditors of the Trust Fund, the Contributor and the Trustee shall first consult as to whether such an external audit is necessary. The Trustee and the Contributor shall agree on the appropriate scope and terms of reference of such audit. Following agreement on the scope and terms of reference, the Trustee shall arrange for such external audit. The costs of any such audit, including the internal costs of the World Bank with respect to such audit, shall be borne by the requesting Contributor.

In such event, the Trustee after consultation with the Board, shall return any unused amount of compensation allocated for the Administrative Costs of the Trustee calculated on an actual basis.
