SCHEDULE 1

Project Description

The objective of the Project is to improve the capacity of Participating Eastern Caribbean Countries to (i) produce and publicly disseminate statistical data for country and regional level analytics; and (ii) to provide immediate and effective response to an Eligible Emergency.

The Project consists of the following parts:

Part 1. Statistical Modernization and Capacity Building

- 1.1 Strengthen the NSOs' technical, technological and organizational capacities by, *inter alia*:
 - (i) providing Trainings and technical assistance to NSO staff on matters related to improving institutional capacity for timely production and disclosure of high quality statistics and Microdata;
 - (ii) improving documentation and knowledge management, and developing succession plans and handover protocols to retain and transfer knowhow;
 - (iii) supporting the Scholarship Program;
 - (iv) purchasing vehicles to support the execution and supervision of statistical operations; and
 - (v) purchasing modern end-user information technology goods and equipment to support the statistical production process (from data collection to dissemination).

- 1.2 Enhance the NSOs' ability to coordinate with key stakeholders of the NSS and engage with the public by, *inter alia*:
 - (i) supporting the development, adoption, and implementation of a NSDS;
 - (ii) providing technical assistance to inform revisions of the legal and regulatory framework governing national statistical operations and the NSS;
 - (iii) establishing a formal NSS governance structure;
 - (iv) conducting outreach programs and workshops (including to promote inter-agency coordination for data reporting);
 - (v) developing Personal Data protocols, consistent with applicable legal requirements, that enable disclosure of and public access to anonymized high quality statistics and Microdata;
 - (vi) preparing existing survey Microdata and supporting documentation for dissemination via a new regional Microdata catalog;
 - (vii) promoting data use and independent policy research through activities such as data literacy campaigns, hackathons, and monitoring and evaluation pilots;

- (viii) developing a communications strategy; and
- (ix) enhancing official portals with new data visualization, infographics and key development indicators and reports.

Part 2. Data Collection, Analysis, and Dissemination

Support the NSO in leveraging data for policy decision-making by, *inter alia*:

- (i) conducting core data collection operations, including the population and housing census, living conditions-household budget survey, agriculture census, and labor market surveys;
- (ii) conducting supplementary data collection operations to fill country-specific data gaps, including phone surveys to monitor the impact of exogenous shocks (such as the COVID-19 pandemic and volcanic eruptions);
- (iii) enhancing survey instruments to improve the collection of sex-disaggregated data;
- (iv) designing and developing the questionnaires, manuals, and Training materials for household surveys and censuses;
- (v) conducting Trainings for data collection operational staff (such as interviewers, supervisors, and clerical staff);
- (vi) elaborating and disseminating materials to promote the participation of the population in data collection exercises; and
- (vii) disseminating new Microdata and analytics, pursuant to the Statistical Disclosure Calendar, in the form of reports, presentations, data files, and data visualizations published on the NSO website.

Part 3. Regional Integration

3.1 Promote the harmonization, coordination and integration of regional data by, *inter alia*:

- (i) defining the RDGC's mandate and operating procedures, *inter alia*, (a) responsibilities, (b) structure (including sub-committees), (c) composition and members categories (such as voting and nonvoting), (d) member selection or appointment procedures, (e) quorum requirements, and (f) budget; and
- (ii) establishing the RDGC and supporting its operations under the Project by (a) providing administrative support and subject matter expertise, (b) creating an RDGC portal to disseminate RDGC policies, procedures, methodologies, instruments and knowledge products, and (c) support the execution of 2 to 4 RDGC meetings per year under the Project.

3.2 Promote innovations that improve Participating Eastern Caribbean Countries' capacity to produce high quality official statistics by, *inter alia*:

- (i) providing technical support to: (a) design and plan for the Experiments under Part 3.2(ii) of the Project; (b) produce analytical reports to reflect the results of the Experiments; and (c) assist with public dissemination of the results;
 - (ii) conducting Experiments in Beneficiary Countries, which are applicable to Participating Eastern Caribbean Countries, to (a) test new data collection instruments and methods in the field; and (b) support initiatives aimed at improving the collection and compilation of administrative data in a format conducive for their use in producing official statistics;
 - (iii) promoting the Recipient's experimentation with innovative statistical methodologies, technological tools (such as remote sensing), and new data collection modalities (such as phone and web surveys), provided they are promising for small island state contexts within the Eastern Caribbean, as determined by the Association; and
 - (iv) assessing the availability, quality, and use of administrative data to produce official statistics in Beneficiary Countries.
- 3.3 Strengthen the capacity of Participating Eastern Caribbean Countries to produce harmonized statistical data by providing technical assistance and Trainings to NSO and NSS staff, with regards to, *inter alia*:
- (i) adopting and implementing standardized definitions, concepts, international statistical classification systems, common methodologies for statistical production and dissemination; and
 - (ii) sampling, household survey design, enumerator training and supervision, Survey Solutions, statistical analysis, economic analysis, report writing, poverty measurement, demography, statistical legislation, statistical software, Microdata cataloguing software, geographic information systems, data visualization, labor statistics and data anonymization.
- 3.4 Strengthen the Recipient's capacity to aggregate, analyze, and disseminate regional data by, *inter alia*:
- (i) developing a regional data portal that shall include a new regional Microdata catalog, and regional data and analytics; and
 - (ii) supporting the development and dissemination of regional knowledge products, such as an annual statistical bulletin, and thematic regional reports, including on population and demographics, and poverty and gender.

Part 4. Project Implementation

- 4.1 Provision of support to the PIU for project management expenditures, including: (i) procurement, (ii) financial management, (iii) monitoring and evaluation, (iv) reporting, (v) safeguards and technical oversight, and (v) policy coordination.

- 4.2 Carrying out independent technical audits and the Project's independent financial audits.

Part 5. Contingency Emergency Response Component

Provision of support upon occurrence of an Eligible Emergency, as needed.

SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements.

1. The Recipient, through MoF, shall:
 - (a) establish and maintain a Project Implementation Unit (“PIU”) with composition, staff in numbers and with qualifications, resources, terms of reference, and functions acceptable to the Association, as further set forth in the POM, including a project coordinator, deputy project coordinator, procurement specialist, accountant, and environmental and social specialist.
 - (b) vest the responsibilities of the day-to-day coordination and implementation of the Respective parts of the Project to the PIU, including the responsibility for (i) ensuring that the requirements, criteria, policies, procedures, and organizational arrangements set forth in the Project Operation Manual (“POM”) are applied in carrying out the Respective parts of the Project; (ii) financial management; (iii) procurement; (iv) accounting; (v) preparation of all Project reports (including interim financial reports); and (vi) environmental and social risk management.
 - (c) establish and maintain throughout Project implementation a PSC with composition, resources, terms of reference and functions acceptable to the Association, as further set forth in the POM, to be responsible for: (i) Project oversight; (ii) multisectoral and cross-agency coordination; and (iii) policy guidance.
 - (d) develop and adopt a POM, satisfactory to the Association, no later than thirty (30) days as of the Effective Date.
 - (e) submit to the Association, as further detailed in the POM, (i) a by-yearly interim financial report within forty-five (45) days after the close of each six-month period, and (ii) an annual audit report within six months of the close of the financial year.
 - (f) ensure adequate coordination between the PIU and the Participating Eastern Caribbean Countries’ PIUs, as well as with the OECS’s RPIU, in accordance with procedures set forth in the POM.

2. The Recipient, through MoA, shall conduct the agricultural census and surveys in close coordination with the NSO.

B. Project Operational Manual

1. The Recipient, through MoF, shall carry out the Project in accordance with the provisions of the POM, in a manner and with contents acceptable to the Association, including, *inter alia*: (a) detailed description, sequencing and timetable of all Project activities and expenditure categories; (b) roles and responsibilities of relevant actors; (c) procurement and financial management procedures (d) procedures for Project monitoring, supervision and evaluation, including the format and content of Project reports; (e) internal control mechanisms to manage, control, and conduct oversight; (f) Statistical Disclosure Calendars; (g) rules governing the Scholarship Program; (h) Cooperation Agreement template; and (i) Personal Data protocols to be used under the Project, which shall be in accordance with international best practices.
2. Except as the Association may otherwise agree in writing, the Recipient shall not abrogate, amend, suspend, waive, or otherwise fail to enforce the POM or any provision thereof.
3. In case of any conflict between the terms of the POM and those of this Agreement, the terms of this Agreement shall prevail.

C. Statistics and Microdata Disclosure

The Recipient, through MoF, shall disclose and make available to the public through official portals the statistics and Microdata, including census and survey reports and key development indicators, produced through the data collection operations conducted as part of the Project, in a manner consistent with the POM, including (i) the Statistical Disclosure Calendar; and (ii) the applicable Personal Data protocols.

D. Scholarship Program

1. The Recipient, through MoNS, shall:
 - (a) formalize a Cooperation Agreement, under terms set forth in the POM, with one or more universities, primarily Caribbean regional universities, to provide at least eight (8) scholarships, in total, for professional, undergraduate, and graduate level studies in statistics, economics, demography, or data science, or any other related field, as may be agreed upon by the Recipient and the Association; and

- (b) provide payments to the applicable Caribbean regional university to finance the tuition costs of their participation in the Scholarship Program under Part 1.1 of the Project, in a manner acceptable to the Association, and in accordance with (A) the eligibility criteria and procedures as further detailed in (i) this Agreement; (ii) the POM; (iii) the Cooperation Agreement; (iv) the applicable provisions of the Anti-Corruption Guidelines governing recipients of Financing proceeds other than the Recipient; (B) in a timely fashion; and (C) with due diligence and efficiency.
2. For the purposes of clarity, the Department of Public Administration within the MoNS shall play a leading role for the purposes of Section D.1 above.
 3. Only Recipient citizens shall be eligible to participate in the Scholarship Program under the Project.
 4. No Close Relatives of Project Officials shall be eligible to participate in the Scholarship Program under the Project.
 5. Scholarship Program awardees that have successfully completed undergraduate or graduate degrees shall work in the Recipient's NSO for no less than three (3) years, immediately following the respective awardee's graduation.
 6. Scholarship Program awardees that have successfully completed professional diplomas or certificates shall work in the Recipient's NSO for no less than one (1) year, immediately following the respective awardee's graduation.
 7. The maximum amount of total payments per Scholarship Program awardee shall be *forty thousand* Dollars (\$40,000).
 8. In the event that an awardee fails to successfully complete the professional, undergraduate, or graduate degree, as applicable, and unless otherwise agreed by the Recipient and the Association, the awardee shall (i) have the obligation to reimburse the MoNS for any funds invested in courses that the awardee has registered; and (ii) shall not be eligible for further Scholarship Program funds.

E. Environmental and Social Standards

1. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Standards, in a manner acceptable to the Association.
2. Without limitation upon paragraph 1 above, the Recipient shall ensure that the Project is implemented in accordance with the Environmental and Social Commitment Plan ("ESCP"), in a manner acceptable to the Association. To this end, the Recipient shall ensure that:

- (a) the measures and actions specified in the ESCP are implemented with due diligence and efficiency, as provided in the ESCP;
 - (b) sufficient funds are available to cover the costs of implementing the ESCP;
 - (c) policies and procedures are maintained, and qualified and experienced staff in adequate numbers are retained to implement the ESCP, as provided in the ESCP; and
 - (d) the ESCP, or any provision thereof, is not amended, repealed, suspended or waived, except as the Association shall otherwise agree in writing, as specified in the ESCP, and ensure that the revised ESCP is disclosed promptly thereafter.
3. In case of any inconsistencies between the ESCP and the provisions of this Agreement, the provisions of this Agreement shall prevail.
4. The Recipient shall ensure that:
- (a) all measures necessary are taken to collect, compile, and furnish to the Association through regular reports, with the frequency specified in the ESCP, and promptly in a separate report or reports, if so requested by the Association, information on the status of compliance with the ESCP and the environmental and social instruments referred to therein, all such reports in form and substance acceptable to the Association, setting out, inter alia: (i) the status of implementation of the ESCP; (ii) conditions, if any, which interfere or threaten to interfere with the implementation of the ESCP; and (iii) corrective and preventive measures taken or required to be taken to address such conditions; and
 - (b) the Association is promptly notified of any incident or accident related to or having an impact on the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers, in accordance with the ESCP, the environmental and social instruments referenced therein and the Environmental and Social Standards.
5. The Recipient shall establish, publicize, maintain and operate an accessible grievance mechanism, to receive and facilitate resolution of concerns and grievances of Project-affected people, and take all measures necessary and appropriate to resolve, or facilitate the resolution of, such concerns and grievances, in a manner acceptable to the Association.
6. The Recipient shall ensure that all bidding documents and contracts for civil works under the Project include the obligation of contractors to: (a) comply with the

relevant aspects of ESCP and the environmental and social instruments referred to therein; and (b) adopt and enforce codes of conduct that should be provided to and signed by all workers, detailing measures to address environmental, social, health and safety risks, and the risks of sexual exploitation and abuse, sexual harassment and violence against children, all as applicable to such civil works commissioned or carried out pursuant to said contracts.

F. Contingent Emergency Response Component

1. In order to ensure the proper and timely implementation of Part 5 of the Project aimed to provide immediate response to potential Eligible Emergency, the Recipient, through the MoF, shall take all actions required on its behalf to ensure that Part 5 of the Project is carried out in accordance with the following provisions:

- (a) The Recipient, through the MoF, shall:
 - (i) prepare a manual (“Emergency Response Operations Manual”), which shall be an annex to the POM, setting forth detailed implementation arrangements for Part 5 of the Project, including: (A) designation of, and resources to be allocated to, the entity to be responsible for coordinating and implementing Part 5 of the Project (“Coordinating Authority”); (B) specific investments which may be included under Part 5 of the Project, Emergency Expenditures required therefore, and the proposed procedures for such inclusion; (C) financial management arrangements under Part 5 of the Project; (D) procurement methods and eligibility procedures for Emergency Expenditures to be financed under Part 5 of the Project; (E) the documentation required for withdrawals of Emergency Expenditures; and (F) any other arrangements necessary to ensure proper coordination and implementation of Part 5 of the Project;
 - (ii) from time to time, submit recommendations to the Association for its consideration for changes and updates of the Emergency Response Operations Manual, as they may become necessary or advisable during Project implementation to allow, if and as necessary, the inclusion of activities under Part 5 of the Project to respond to an Eligible Emergency;
 - (iii) ensure that Part 5 of the Project is carried out in accordance with the Emergency Response Operations Manual; provided, however, that in the event of any inconsistency between the provisions of the Emergency Response Operations Manual and this Agreement, the provisions of this Agreement shall prevail; and

- (iv) not amend, suspend, abrogate, repeal or waive any provision of the Emergency Response Operations Manual without the prior approval by the Association.
- (b) The Recipient, through the MoF, shall, throughout the implementation of Part 5 of the Project, maintain the Coordinating Authority, with staff in adequate numbers and with qualifications and resources satisfactory to the Association.

Section II. Project Monitoring, Reporting and Evaluation

The Recipient shall furnish to the Association each Project Report not later than forty-five (45) days after the end of each calendar semester, covering the calendar semester.

Section III. Withdrawal of the Proceeds of the Financing

A. General

Without limitation upon the provisions of Article II of the General Conditions and in accordance with the Disbursement and Financial Information Letter, the Recipient may withdraw the proceeds of the Financing to finance Eligible Expenditures in the amount allocated and, if applicable, up to the percentage set forth against each Category of the following table:

Category	Amount of the Credit Allocated (expressed in USD)	Percentage of Expenditures to be Financed (inclusive of Taxes)
(1) Goods, non-consulting services, consulting services, Trainings, and Operating Costs for the Project (except for Parts (1)(1)(iii), 2 and 3 of the Project)	4,375,000	100%
(2) Scholarship Program under Part 1(1)(iii) of the Project	325,000	100%

(3) Goods, non-consulting services, consulting services, Individual Contractor fees, Civil Servant fees, Trainings and Operating Costs for Part 2 of the Project	3,300,000	100%
(4) Emergency Expenditures	0	100%
TOTAL AMOUNT	8,000,000	

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A above, no withdrawal shall be made:
 - (a) for payments made prior to the Signature Date, except that withdrawals up to an aggregate amount not to exceed *eight hundred thousand Dollars* (\$800,000) may be made for payments made up to 12 months prior to the Signature Date, for Eligible Expenditures under Categories 1 and 3;
 - (b) under Category 2 until the Recipient, through MoF, has developed and adopted the POM, including the Cooperation Agreement template, to the Association's satisfaction;
 - (c) under Category 3 until the Recipient, through MoF, has developed and adopted a Statistical Disclosure Calendar, to the Association's satisfaction; and
 - (d) under Category 4 for Emergency Expenditures, unless and until all the following conditions have been met in respect of said expenditures:
 - (i) the Recipient has determined that an Eligible Emergency has occurred, and has furnished to the Association a request to withdraw Financing amounts under Category 4;
 - (ii) the Association has agreed with such determination, accepted said request and notified the Recipient thereof; and
 - (iii) the Recipient has adopted the Emergency Response Operations Manual, in form and substance acceptable to the Association.
2. The Closing Date is June 30, 2027.

SCHEDULE 3
