Note: The Sub-Saharan Africa (SSA) region includes 48 countries (all income levels), as classified by The World Bank Group. Guinea-Bissau is a low income (LIC) country, which includes 26 countries with a Gross National Income (GNI) per capita from \$0 to \$1,135 (calculated using the World Bank Atlas method). Data and definitions can be found on the [Gender Data Portal](#). Data is as of March 17, 2024.

Country Baseline provides a reference from 1990 to 2011. Latest Value shows the latest available value from 2012 onwards. The arrow icon represents country increases or decreases over 10 percent relative to the base year. Peer Comparison shows how Guinea-Bissau performs relative to its peers in the region, income group, and the world. Color coding represents values 10 percent above or below its peers in the region.

GUINEA-BISSAU GENDER LANDSCAPE

Women, Business and the Law in Guinea-Bissau

Women, Business and the Law (WBL) 2023 presents an index covering 190 economies, structured around the life cycle of a working woman. In total, 35 questions are scored across eight indicators. **Guinea-Bissau scores 52 out of 100**, while the regional average across Sub-Saharan Africa is 74.

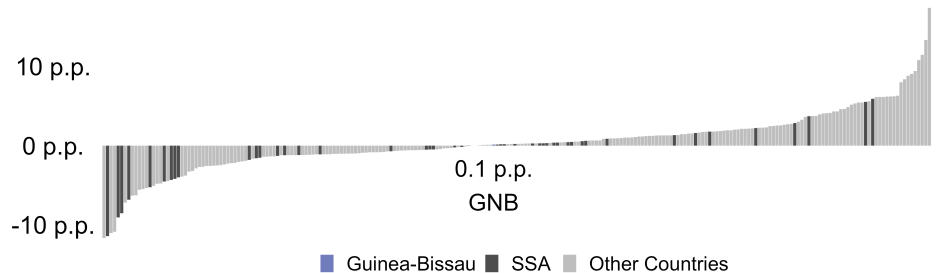

A Closer Look at Gender Equality in Guinea-Bissau

Despite some progress, gender gaps, gender-based violence, and disadvantageous social norms facing women and girls persist, and gains in human capital of women and girls remain untapped. Turning human capital investments into economic gains means addressing multiple barriers to women's economic empowerment, including improving their voice and agency.
