##### A. Institutional Arrangements

##### 1. Single Project Implementation Unit

- (a) The Recipient shall maintain throughout Project implementation period the Project implementation unit within the Rwanda Transport Development Agency Single Project Implementation Unit) with resources and composed of key staff, with qualifications, experience and under terms of reference acceptable to the Association as may be further detailed in the Project Implementation Manual ("PIM").
- (b) The Single Project Implementation Unit shall be responsible for *inter alia* implementation of its Respective Part of the Project as further detailed in the PIM.

##### 2. Subsidiary Agreement

To facilitate the carrying out of the RTDA's Respective Part of the Project RTDA shall enter into a subsidiary agreement ("Subsidiary Agreement") with the Recipient, under terms and conditions approved by the Association.

##### 3. Project Implementation Manual

RTDA shall carry out its Respective Part of the Project in accordance with the arrangements and procedures set out in the PIM, provided that: (a) if there is a conflict between the provisions set out in the PIM and the provisions of this Agreement, this Agreement shall prevail; and (b) the PIM shall not be amended, abrogated or any provision thereof waived without the prior written approval of the Association.

##### B. Environmental and Social Standards

1. The Project Implementing Entity shall ensure that the Project is carried out in accordance with the Environmental and Social Standards, in a manner acceptable to the Association.
2. Without limitation upon paragraph 1 above, the Project Implementing Entity shall ensure that the Project is implemented in accordance with the Environmental and Social Commitment Plan ("ESCP"), in a manner acceptable to the Association. To this end, the Project Implementing Entity shall ensure that:
  - (a) the measures and actions specified in the ESCP are implemented with due diligence and efficiency, as provided in the ESCP;
  - (b) sufficient funds are available to cover the costs of implementing the ESCP;

- (c) policies and procedures are maintained, and qualified and experienced staff in adequate numbers are retained to implement the ESCP, as provided in the ESCP; and
  - (d) the ESCP, or any provision thereof, is not amended, repealed, suspended or waived, except as the Association shall otherwise agree in writing, as specified in the ESCP, and ensure that the revised ESCP is disclosed promptly thereafter.
- 3. In case of any inconsistencies between the ESCP and the provisions of this Agreement, the provisions of this Agreement shall prevail.
- 4. The Project Implementing Entity shall ensure that:
  - (a) all measures necessary are taken to collect, compile, and furnish to the Association through regular reports, with the frequency specified in the ESCP, and promptly in a separate report or reports, if so requested by the Association, information on the status of compliance with the ESCP and the environmental and social instruments referred to therein, all such reports in form and substance acceptable to the Association, setting out, *inter alia*: (i) the status of implementation of the ESCP; (ii) conditions, if any, which interfere or threaten to interfere with the implementation of the ESCP; and (iii) corrective and preventive measures taken or required to be taken to address such conditions; and
  - (b) the Association is promptly notified of any incident or accident related to or having an impact on the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers, in accordance with the ESCP, the environmental and social instruments referenced therein and the Environmental and Social Standards.
- 5. The Project Implementing Entity shall establish, publicize, maintain and operate an accessible grievance mechanism, to receive and facilitate resolution of concerns and grievances of Project-affected people, and take all measures necessary and appropriate to resolve, or facilitate the resolution of, such concerns and grievances, in a manner acceptable to the Association.
- 6. The Project Implementing Entity shall ensure that all bidding documents and contracts for civil works under the Project include the obligation of contractors, subcontractors and supervising entities to: (a) comply with the relevant aspects of ESCP and the environmental and social instruments referred to therein; and (b) adopt and enforce codes of conduct that should be provided to and signed by all workers, detailing measures to address environmental, social, health and safety risks, and the risks of sexual exploitation and abuse, sexual harassment and violence against children, all as applicable to such civil works commissioned or carried out pursuant to said contracts.

**Section II. Project Monitoring, Reporting and Evaluation**

**A. Project Reports**

1. The Project Implementing Entity shall monitor and evaluate the progress of its Respective Part of the Project and prepare Project Reports for its Respective Part of the Project in accordance with the provisions of Section 5.08 (b) of the General Conditions and on the basis of the indicators acceptable to the Association. Each such Project Report shall cover the period of one calendar quarter, and shall be furnished to the Recipient not later than forty-five (45) days after the end of the period covered by such report for incorporation and forwarding by the Recipient to the Association of the overall Project Report.
2. The Project Implementing Entity shall provide to the Recipient not later than three (3) months, for incorporation in the report referred to in Section 5.08 (c) of the General Conditions all such information as the Recipient or the Association shall reasonably request for the purposes of such Section.
