## **SCHEDULE**

### **Execution of the Operation**

#### **Section I. Implementation Arrangements**

##### **A. Program Fiduciary, Environmental and Social Systems**

1. Without limitation on the provisions of Article V of the General Conditions for the Program, the Implementing Entity shall carry out the Program in accordance with financial management, procurement and environmental and social management systems acceptable to the Association which are designed to ensure that:
  - (a) the Financing proceeds are used for their intended purposes, with due attention to the principles of economy, efficiency, effectiveness, transparency, and accountability; and
  - (b) the actual and potential adverse environmental and social impacts of the Program are identified, avoided, minimized, or mitigated, as the case may be, all through an informed decision-making process.

##### **B. Institutional Arrangements for the Operation**

1. The Implementing Entity shall vest the overall responsibility for the implementation and coordination of the Operation in its PWD and P&SHD and shall ensure that PWD and P&SHD are adequately supported with dedicated staff for the Operation, with the structure, composition, mandates, resources, and terms of reference satisfactory to the Association.
2. The Implementing Entity shall establish, by not later than three (3) months after the Effective Date, and thereafter maintain at all times during the implementation of the Project:
  - (a) at least one Management Unit, which shall: (i) be responsible for the day-to-day management of the Operation; (ii) be supported with adequate number of staff and/or consultants, each with terms of reference, qualifications, and experience satisfactory to the Association, including experts in the management of the Operation, procurement, financial management, environmental and social issues and monitoring and evaluation; and (iii) be granted the functions, decision-making powers and sufficient resources, as agreed with the Association, for the carrying out of the Operation; and
  - (b) a Steering Committee, which shall: (i) be chaired by the Chairman of Planning and Development Board; and (ii) be responsible for overseeing

the implementation of the Operation and providing guidance to the Management Unit(s) on resource allocation decisions, such as budget, personnel, equipment, and time and on addressing any issues or risks that may arise.

**C. Annual Work Plans and Budgets.**

The Implementing Entity shall:

- (a) prepare and furnish to the Association, by not later than September 30 of each year, an annual work plan and budget covering the activities proposed for the subsequent year of Project implementation, which plan, and budget shall be of such scope and detail as set forth in the Operations Manual;
- (b) Notwithstanding sub-paragraph (a) above, annual work plan for the first year of Project implementation, shall be furnished to the Association by not later than one (1) month after the Effective Date; and
- (c) thereafter, upon approval of each such annual work plan, ensure that the Project is carried out in accordance with the said plan and budget, as agreed with the Association.

**D. Additional Implementation Arrangements**

- 1. Without limitation upon the generality of Part B of this Section I, the Implementing Entity shall carry out the Program Action Plan in accordance with the schedule set out in the said Program Action Plan in a manner satisfactory to the Association.

The Implementing Entity shall:

- (a) implement the Program Action Plan agreed with the Association, in a manner and substance satisfactory to the Association; and
  - (b) refrain from amending, revising, waiving, voiding, suspending or abrogating, any provision of the Program Action Plan, whether in whole or in part, without the prior written concurrence of the Association.
- 2. In the event of any inconsistency between the provision of the Program Action Plan and those of this Agreement and/or the Financing Agreement, the provision of the latter agreement shall govern.

**E. Environmental and Social Standards for the Project**

1. The Implementing Entity shall ensure that the Project is carried out in accordance with the Environmental and Social Standards, in a manner acceptable to the Association.
2. Without limitation upon paragraph 1 above, the Implementing Entity shall ensure that the Project is implemented in accordance with the Environmental and Social Commitment Plan (“ESCP”), in a manner acceptable to the Association. To this end, the Implementing Entity shall ensure that:
  - (a) the measures and actions specified in the ESCP are implemented with due diligence and efficiency, as provided in the ESCP;
  - (b) sufficient funds are available to cover the costs of implementing the ESCP;
  - (c) policies and procedures are maintained, and qualified and experienced staff in adequate numbers are retained to implement the ESCP, as provided in the ESCP; and
  - (d) the ESCP, or any provision thereof, is not amended, repealed, suspended or waived, except as the Association shall otherwise agree in writing, as specified in the ESCP, and ensure that the revised ESCP is disclosed promptly thereafter.
3. In case of any inconsistencies between the ESCP and the provisions of this Agreement, the provisions of this Agreement shall prevail.
4. The Implementing Entity shall ensure that:
  - (a) all measures necessary are taken to collect, compile, and furnish to the Association through regular reports, with the frequency specified in the ESCP, and promptly in a separate report or reports, if so requested by the Association, information on the status of compliance with the ESCP and the environmental and social instruments referred to therein, all such reports in form and substance acceptable to the Association, setting out, *inter alia*: (i) the status of implementation of the ESCP; (ii) conditions, if any, which interfere or threaten to interfere with the implementation of the ESCP; and (iii) corrective and preventive measures taken or required to be taken to address such conditions; and
  - (b) the Association is promptly notified of any incident or accident related to or having an impact on the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers, including, in accordance with the ESCP, the

environmental and social instruments referenced therein and the Environmental and Social Standards.

5. The Implementing Entity shall establish, publicize, maintain and operate an accessible grievance mechanism, to receive and facilitate resolution of concerns and grievances of Project-affected people, and take all measures necessary and appropriate to resolve, or facilitate the resolution of, such concerns and grievances, in a manner acceptable to the Association.
6. The Implementing Entity shall ensure that all bidding documents and contracts for civil works under the Project include the obligation of contractors, subcontractors and supervising entities to: (a) comply with the relevant aspects of ESCP and the environmental and social instruments referred to therein; and (b) adopt and enforce codes of conduct that should be provided to and signed by all workers, detailing measures to address environmental, social, health and safety risks, and the risks of sexual exploitation and abuse, sexual harassment and violence against children, all as applicable to such civil works commissioned or carried out pursuant to said contracts.
7. The Implementing Entity shall maintain, throughout the implementation of the Project, a Project grievance redress mechanism, with staffing and operating procedures acceptable to the Association, for monitoring and addressing the concerns of people affected by the Project and building public and stakeholder support for the Project.

## **Section II. Excluded Activities for the Program**

The Implementing Entity shall ensure that the Program shall exclude any activities which:

- (a) in the opinion of the Association, are likely to have significant adverse impacts that are sensitive, diverse, or unprecedented on the environment and/or affected people; or
- (b) involve the procurement of: (1) works, estimated to cost \$115 million equivalent or more per contract; (2) goods, estimated to cost \$75 million equivalent or more per contract; (3) non-consulting services, estimated to cost \$75 million equivalent or more per contract; or (4) consultants' services, estimated to cost \$30 million equivalent or more per contract.

## **Section III. Operation Monitoring, Reporting and Evaluation**

### **A. Operation Monitoring, Reporting and Evaluation for the Operation**

1. The Implementing Entity shall monitor and evaluate the progress of the Program and the Project and prepare Program Reports and Project Reports in accordance

with the provisions of Section 5.08 (b) of the General Conditions for the Project and Section 5.08(b) of the General Conditions for the Program. Each Project Report and Program Report shall cover the period of six (6) months, and shall be furnished to the Recipient not later than forty-five (45) days after the end of the period covered by such report for incorporation and forwarding by the Recipient to the Association of the overall Project Report and Program Report.

2. The Implementing Entity shall provide to the Recipient not later than six (6) months from the Closing Date, for incorporation in the report referred to in Section 5.08 (c) of the General Conditions for the Project and Section 5.08(b) of the General Conditions for the Program all such information as the Recipient or the Association shall reasonably request for the purposes of such Section.

**B. Verification Protocols for the Program**

1. The Implementing Entity shall:
  - (a) undertake a verification process to certify the fulfilment of the Disbursement Linked Results set out in the Annex to Schedule 2 to the Financing Agreement. To this end, the Implementing Entity shall select, notify, and engage by February 1, 2024, and thereafter maintain throughout the period of implementation of the Operation, the services of Independent Verification Agent(s) with qualification and experience and under terms of reference acceptable to the Association, in order to: (i) support the Operation's monitoring and evaluation; and (ii) document the achievement of DLIs/DLRs; and
  - (b) furnish to the Association the corresponding verification report(s), in form and substance agreed with the Association.
