Relief and Recovery for Micro, Small, and Medium Enterprises Project

ENVIRONMENTAL and SOCIAL COMMITMENT PLAN (ESCP)

November 18, 2021

Environmental and Social Commitment Plan

1. Georgia (the Borrower) shall implement the “**Georgia Relief and Recovery for Micro, Small and Medium Enterprises**” Project (the Project). The overall implementation of the Project shall rest with the Ministry of Economy and Sustainable Development (MoESD). Enterprise Georgia (EG), a state agency under the MoESD and the National Bank of Georgia (NBG) shall be the Project Implementing Entities (PIEs). Project activities shall be implemented with the involvement of the following agencies: Ministry of Finance, Ministry of Justice, the Public Service Delivery Agency and the National Agency for Public Registry. The International Bank for Reconstruction and Development (the Bank) has agreed to provide financing for the Project.
2. The Borrower shall implement the Project and cause the project to be implemented by EG and NBG in accordance with the Bank’s Environmental and Social Standards (ESSs). This Environmental and Social Commitment Plan (ESCP) sets out material measures and actions, any specific documents or plans, as well as the timing for each of these actions to be carried out or caused to be carried out by the Borrower, including timeframes of the actions and measures, institutional staffing, training, monitoring and reporting arrangements, grievance management and the environmental and social (E&S) assessments and instruments to be prepared or updated, disclosed, consulted, adopted and implemented under ESCP and the ESSs, all in a manner acceptable to the Bank .
3. The Borrower shall and shall cause EG and NBG to ensure that the Project is implemented in compliance with all requirements of the ESCP, in a manner acceptable to the Bank. The Borrower shall also ensure compliance with any other E&S documents required under the Environmental and Social Framework (ESF) and referred to in this ESCP, such as Environmental and Social Management Framework (ESMF), Environmental and Social Management System (ESMS) including Labor Management Procedures (LMP) and Stakeholder Engagement Plans (SEP), and the timelines specified in those E&S documents.
4. Implementation of the material measures and actions set out in this ESCP shall be monitored and reported to the Bank by the Borrower as required by the ESCP and the conditions of the loan agreement, and the Bank will monitor and assess progress and completion of the material measures and actions throughout implementation of the Project.
5. As agreed by the Bank and the Borrower, this ESCP may be revised from time to time during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to assessment of Project performance conducted under the ESCP itself. In such circumstances, the Borrower as represented by the PIEs – EG and NBG - shall agree to the changes with the Bank and shall update the ESCP to reflect such changes. Agreement to changes to the ESCP will be documented through the exchange of letters signed between the Bank and the Borrower as represented by the PIEs. The Borrower as represented by the PIEs shall promptly disclose the updated ESCP.
