* Latest value shows the latest available country value for the indicator. Color coding of the latest country value represents a more than 10 percent change upward or downward from the country's baseline value from 10 years (+/- 2 years) prior to latest value. No coloring applied whenever there is no data for baseline or when latest available value is prior to 2020.
 * Since July 1, 2025, Afghanistan and Pakistan are classified as part of the Middle East and North Africa region, moving them from South Asia.
