\* Latest value shows the latest available country value for the indicator. Color coding of the latest country value represents a more than 10 percent change upward or downward from the country's baseline value from 10 years (+/- 2 years) prior to latest value. No coloring applied whenever there is no data for baseline or when latest available value is prior to 2020.

\* Since July 1, 2025, Afghanistan and Pakistan are classified as part of the Middle East and North Africa region, moving them from South Asia.

## Account ownership unlocks access to financial products

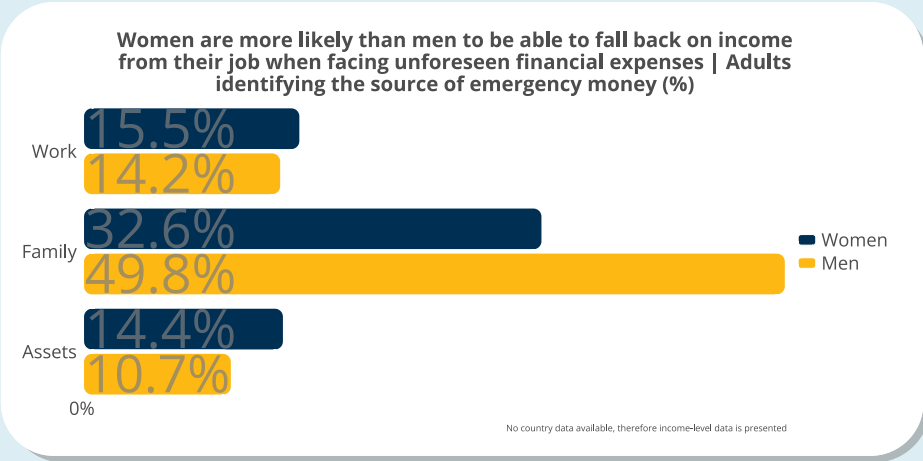

**Women in the labor force are more likely to have an account**

**56%** of women who are in the labor force have a bank account, but only **25%** of women out of the labor force have a bank account

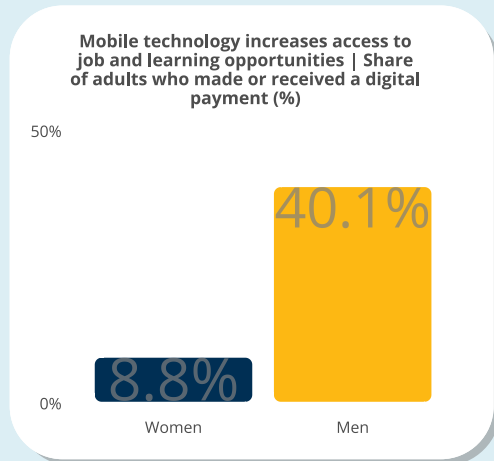

\* No country data available, therefore regional data is presented.

## Access to capital helps build businesses and create jobs

## Digital connectivity can unlock and accelerate access to finance and jobs
