SCHEDULE 1

Project Description

The objectives of the Project are to enhance pastoralists' access to financial services for drought risk mitigation, include them in the value chains, and facilitate the livestock trade in the Horn of Africa

The Project consists of the following parts:

Part 1. Package of Financial Services for Climate Resilience

Carry out the following program of activities to build climate resilience:

1. Designing, and provision by Ethiopia, Kenya and Somalia to pastoralists in their respective territory, of an integrated package of financial services, including savings accounts, Reserve Layer, drought index insurance, and digital accounts.
2. Building the capacity of Ethiopia, Kenya and Somalia and local financial institutions for provision of the integrated package of financial services to pastoralists, including developing a digital platform of services, carrying out financial literacy education and financial services awareness campaigns, and provision of training.
3. Designing a sovereign climate insurance policy, to be acquired by Djibouti, in order for the government to provide protection to its population, including pastoralists, from financial impact of climate disasters.

Part 2. Livestock Value Chains and Trade Facilitation

1. Carry out the following program of activities to support private investment in the livestock value chains and link pastoral producers to reliable markets:
 - (a) *Upgrading quality infrastructure.* Upgrade quality infrastructure (such as testing facilities, traceability systems, certification services, inspection services and quarantine systems) to ensure compliance of livestock and livestock products with national and international standards; build capacity of agencies in charge of quality infrastructure, as well as livestock traders, exporters, investors and local communities to facilitate compliance with said standards; and support the operationalization of Mutual Recognition Agreements in the HoA
 - (b) *Trade facilitation and trade logistics.* Facilitate trade in livestock and livestock products by, *inter alia*: (i) strengthening quarantine facilities and their efficient linkages to ports, including digitization of export and sanitary certificates, improvement of logistics for of transit of live

animals and livestock products, improvement of data infrastructure on livestock trade, and carrying out studies to enhance value addition in livestock value chains; and (ii) building capacity in trade facilitation, including elimination of non-tariff trade barriers, regional coordination of policy and procedural reforms at border crossings.

- (c) *Private investment in Livestock Value Chain (“LVC”) de-risking facility.* Establishment of a facility to de-risk private investment in the livestock value chains and to support local productive capacities through, *inter alia*, provision of LVC Financing to LVC Beneficiaries for LVC Subprojects under two financing windows: a window for significant investments with substantial demonstration effects and a second window that focuses on women- and youth-owned business enterprises in LVC.

- 2. Provision of support to Participating Countries for management of the Project, including through provision of technical assistance and Training and financing of Operating Costs.

SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

Ministry of Agriculture, Water, Fisheries, Livestock and Maritime Resources

1. The Recipient shall designate, and maintain the designation at all times during the implementation of the Project, the Ministry of Agriculture, Water, Fisheries, Livestock and Maritime Resources (“MoA”) to be responsible for implementation of the Respective Parts of the Project and coordination of the said implementation, and shall take all actions, including the provision of funding, personnel and other resources necessary to enable said Ministry to perform said functions.
2. The Recipient shall maintain at all times during the implementation of the Respective Parts of the Project, a Project Implementation Unit (“PIU”) with terms of reference, qualified staffing and resources satisfactory to the Association, to be responsible for overall coordination as well as day-to-day management, supervision and administration of the Respective Parts of the Project, all in accordance with the provisions of the PIMs.

the Recipient and the Association all such information as the Recipient or the Association shall reasonably request; and

- (iv) promptly inform the Recipient and the Association of any condition which interferes or threatens to interfere with the progress of Part 1.3 of the Project, or the performance of its obligations under the Subsidiary Agreement.
 - (b) Rights of the Recipient adequate to protect its interests and those of the Association, including the right to: (A) suspend or terminate the right of ZEP-RE to use the proceeds of the Financing allocated from time to time to Category (1), or (B) obtain refund of all or any part if such amount of the Financing then withdrawn, upon ZEP-RE's failure to perform any of its obligations under the Subsidiary Agreement.
2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.
3. In the event of any conflict between the provisions of the Subsidiary Agreement and the provisions of this Agreement, the provisions of this Agreement shall prevail.

E. Part 2.1(c)

Convention - CLE

1. To facilitate the carrying out of Part 2.1(c) of the Project, the Recipient shall make part of the proceeds of the Financing allocated from time to time to Category (3) of the table set out in Section III.A of this Schedule available to CLE, on a grant basis, under a convention between the Recipient and CLE and on terms and conditions approved by the Association, which shall include the following ("Convention-CLE"):
- (a) Undertaking by CLE to:
 - (i) carry out Part 2.1(c) of the Project with due diligence, in conformance with appropriate technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Association, and in accordance with the Part 2 PIM, Procurement Regulations, provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Recipient (including ensuring application of Anti-

Corruption Guidelines to LVC Beneficiaries); and provide, or cause to be provided, promptly as needed, the facilities, services and other resources required for said Part of the Project;

- (ii) (A) comply with record keeping, auditing and reporting requirements set out in this Agreement (operations, resources and expenditure) for Part 2.1(c) of the Project; (B) at the Recipient's or Association's request, have such financial statements audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association; and (C) promptly furnish the statements as so audited to the Recipient and the Association;
 - (iii) (A) at the request of the Recipient or the Association, exchange views with the Recipient and the Association with regard to the progress of Part 2.1(c) of the Project and the performance of its obligations under the Convention-CLE; (B) enable the Recipient and the Association to inspect the CLE's implementation of activities under Part 2.1(c) of the Project and any relevant records and documents; and (C) prepare and furnish to the Recipient and the Association all such information as the Recipient or the Association shall reasonably request; and
 - (iv) promptly inform the Recipient and the Association of any condition which interferes or threatens to interfere with the progress of Part 2.1(c) of the Project, or the performance of its obligations under the Convention-CLE.
 - (b) Rights of the Recipient adequate to protect its interests and those of the Association, including the right to: (A) suspend or terminate the right of CLE to use the proceeds of the Financing allocated from time to time to Category (3), or (B) obtain refund of all or any part if such amount of the Financing then withdrawn, upon CLE's failure to perform any of its obligations under the Convention-CLE.
2. The Recipient shall exercise its rights under the Convention-CLE in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Convention-CLE or any of its provisions.
 3. In the event of any conflict between the provisions of the Convention-CLE and the provisions of this Agreement, the provisions of this Agreement shall prevail.

4. **Convention – Chamber of Commerce** Upon evaluation of Chamber of Commerce by the Association, which is proposed by the Recipient for implementation of Part 2.1(c) of the Project, and if the evaluation results are deemed satisfactory to the Association, the Recipient shall make part of the proceeds of the Financing allocated from time to time to Category (3) of the table set out in Section III.A of this Schedule available to Chamber of Commerce under a convention to be entered into between the Recipient and Chamber of Commerce, and on the same terms and conditions as the convention with CLE approved by the Association, including the provisions in paragraphs E.1(a) and (b), 2 and 3 above.

F. Part 2.1 of the Project

Parts 2.1(a) and 2.1(b) of the Project

1. In implementing Parts 2.1(a) and 2.1(b) of the Project, the Recipient shall select activities in accordance with the criteria and procedures set out in the Part 2 PIM and furnish the proposed activities to the Association for approval prior to start of their implementation.

Part 2.1(c) of the Project

2. In implementing Part 2.1(c) of the Project, the Recipient shall select investments and their beneficiaries in accordance with eligibility criteria (including Excluded Activities) and procedures set out in the Part 2 PIM.
3. The Recipient shall provide financing using the proceeds of the Financing allocated from time to time to Category (3) (“LVC Financing”) and pursuant to agreements (“LVC Agreements”) to be entered into between the Recipient and each selected beneficiary (“LVC Beneficiary”) for the selected investment under Part 2.1(c) of the Project (“LVC Subproject”), on terms and conditions (including the provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Recipient) set out in the Part 2 PIM; and (b) exercise the Recipient’s rights under such agreements in such manner as to protect its own interests and the interests of the Association in order to accomplish the purpose of the Financing. The Recipient shall not assign, amend, abrogate or waive any such agreements or any provision thereof without the prior written approval of the Association.

G. Environmental and Social Standards

1. The Recipient shall, and shall cause ZEP-RE to, ensure that the Project is carried out in accordance with the Environmental and Social Standards, in a manner acceptable to the Association.

2. Without limitation upon paragraph 1 above, the Recipient shall ensure that the Project is implemented in accordance with the Environmental and Social Commitment Plan (“ESCP”), in a manner acceptable to the Association. To this end, the Recipient shall ensure that:
 - (a) the measures and actions specified in the ESCP are implemented with due diligence and efficiency, as provided in the ESCP;
 - (b) sufficient funds are available to cover the costs of implementing the ESCP;
 - (c) policies and procedures are maintained, and qualified and experienced staff in adequate numbers are retained to implement the ESCP, as provided in the ESCP; and
 - (d) the ESCP, or any provision thereof, is not amended, repealed, suspended or waived, except as the Association shall otherwise agree in writing, as specified in the ESCP, and ensure that the revised ESCP is disclosed promptly thereafter.
3. Without limitation upon the provisions of paragraph 2 above, if sixty (60) days prior to the Closing Date, the Association determines that there are measures and actions specified in the ESCP which will not be completed by the Closing Date, the Recipient shall: (a) not later than thirty (30) days before the Closing Date, prepare and present to the Association, an action plan satisfactory to the Association on the outstanding measures and actions, including a timetable and budget allocation for such measures and actions (which action plan shall be deemed to be considered an amendment of the ESCP); and (b) thereafter, carry out said action plan in accordance with its terms and in a manner acceptable to the Association.
4. In case of any inconsistencies between the ESCP and the provisions of this Agreement, the provisions of this Agreement shall prevail.
5. The Recipient shall ensure that:
 - (a) all measures necessary are taken to collect, compile, and furnish to the Association through regular reports, with the frequency specified in the ESCP, and promptly in a separate report or reports, if so requested by the Association, information on the status of compliance with the ESCP and the environmental and social instruments referred to therein, all such reports in form and substance acceptable to the Association, setting out, *inter alia*: (i) the status of implementation of the ESCP; (ii) conditions, if any, which interfere or threaten to interfere with the implementation of

the ESCP; and (iii) corrective and preventive measures taken or required to be taken to address such conditions; and

- (b) the Association is promptly notified of any incident or accident related to or having an impact on the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers, in accordance with the ESCP, the environmental and social instruments referenced therein and the Environmental and Social Standards.
6. The Recipient shall establish, publicize, maintain and operate an accessible grievance mechanism, to receive and facilitate resolution of concerns and grievances of Project-affected people, and take all measures necessary and appropriate to resolve, or facilitate the resolution of, such concerns and grievances, in a manner acceptable to the Association.
7. The Recipient shall cause the ZEP-RE to implement the obligations under paragraphs 2, 3, 5 and 6 above, and to implement the ZEP-RE ESCP.

Section II. Project Monitoring, Reporting and Evaluation

The Recipient shall furnish to the Association each Project Report not later than forty-five (45) days after the end of each calendar semester, covering the calendar semester.

Section III. Withdrawal of the Proceeds of the Financing

A. General
