

Finances One

Quick Reference Guide

The World Bank Group

September 5, 2024

1. Home Section

The Home section highlights announcements and key publications prominently with curated information, featured content, and essential datasets organized by business context, popularity, recent updates, and newly published data.

Sections

Browse through sections on Finances One to view various presentations of WBG's financial data, each offering unique insights and perspectives.

Spotlight Publications

Access the most recent and widely accessed publications right on the home section.

Announcements

Stay updated with our latest news and important updates.

Interactive Filtering

Filter datasets by clicking a legend. This applies to all visuals on Finances One.

Sustainability Reporting (PDFs)

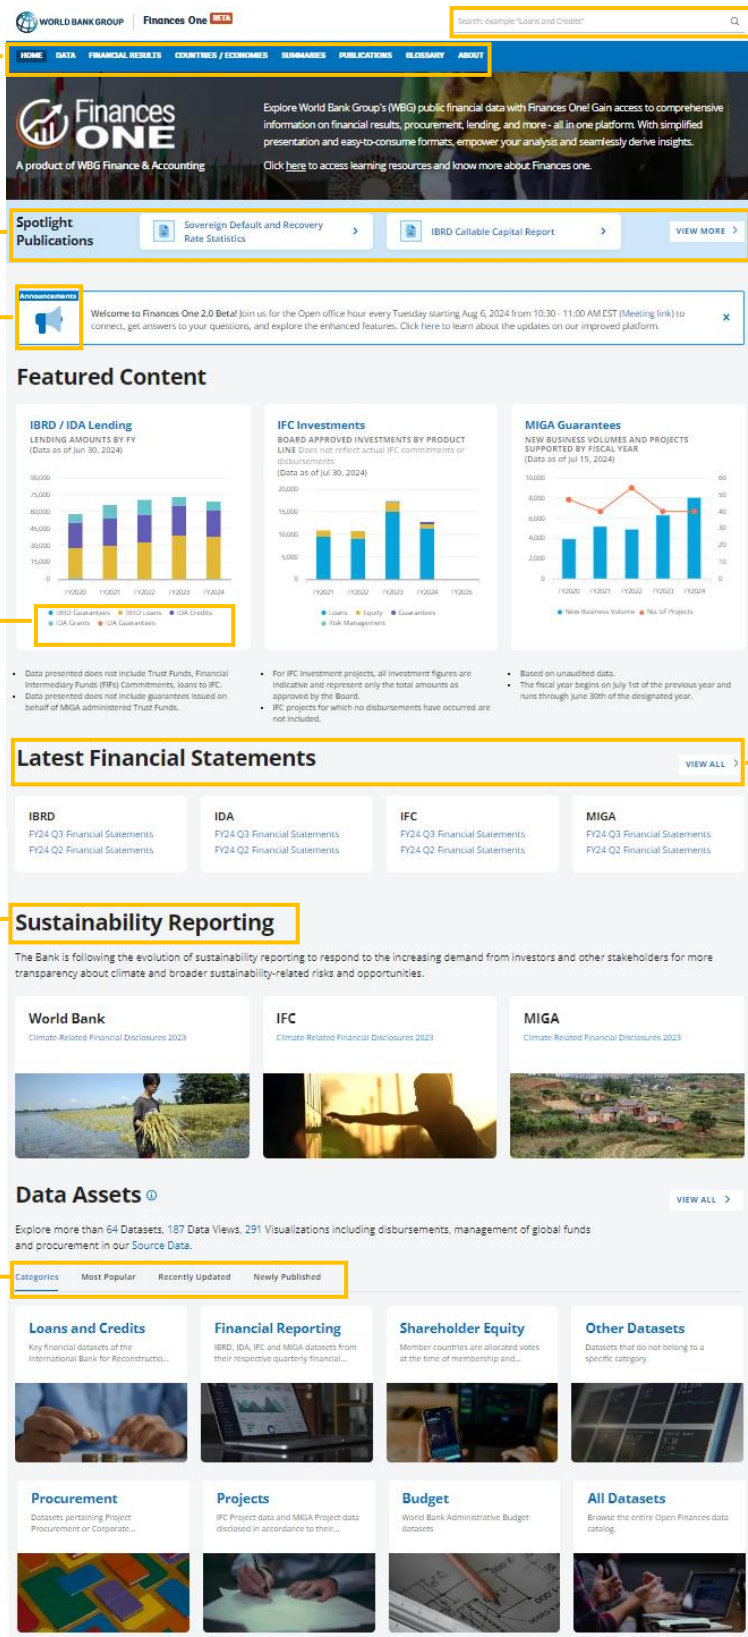

Access the last published climate-related disclosures across institutions.

Data Assets

Get a quick overview of data assets on Finances One categorized based on business context, popularity, recent updates, and publications.

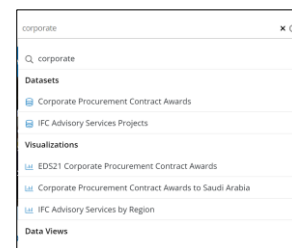

Data assets include:

- datasets - a raw extract of information made available in structured formats for analysis
- data views - a report showing a slice of data derived from a dataset
- visualizations - an interactive visual representation derived from a dataset

Search Bar

Find the data assets available on Finances One easily using keyword search.

Search results will show relevant data assets categorized as datasets, views, and visualizations.

Financial Statements (PDFs)

The financial statements of the past 2 quarters are available on the Home section. Click 'View All' to access additional statements.

2. Data Section

Explore the 'Data' section where information can be browsed, accessed, and consumed from an organized repository of data assets.

Sort Results

Sort the search results by most accessed, recent update date, or name.

Export Options

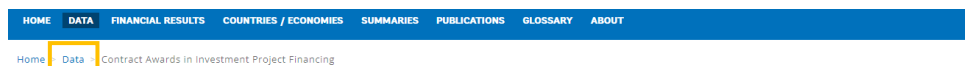

Download datasets and views directly from this section using CSV, JSON, and API options.

Filtering
Explore the Filter section where assets can be filtered by type, category, institution, tags.

3. Data Assets- Details

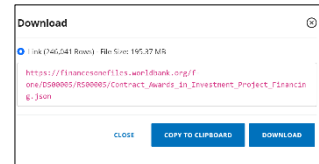

Dataset

Selecting a dataset on the 'Data' section lists details about the dataset along with relevant metadata.

Download

Download all the records in the dataset in the CSV / JSON format.

API Service

Explore the API service option to get a REST endpoint for the dataset in the JSON / CSV format.

To extract a portion of the dataset, filter the response based on available attributes.

Note: Only 1000 records can be extracted at a time using this option.

Share

Share this data asset via email, Yammer, X, and Facebook.

Data

The image shows the 'Contract Awards in Investment Project Financing' dataset page. The 'Data' tab is highlighted. The page displays metadata including 'Data Provided By' (World Bank Group), 'Owner' (Finances One), 'Date Created' (May 03, 2012), 'Last Updated' (Sep 05, 2024), 'Data As Of' (Sep 05, 2024), 'Licensing and Attribution' (Creative Commons Attribution 4.0 International), and 'Additional Information' (Type: Time Series, Row Label: WB Contract Number, Source: World Bank Group, Periodicity: Daily). The 'Actions and Tools' section on the right includes 'Download data' (CSV (93.35 MB) | JSON (195.37 MB)), 'API Service', and 'Share this page'.

The image shows the 'Column Details' tab of the dataset page. It displays a table of columns with their descriptions, API field names, and data types. The table is titled 'Columns in this Dataset' and 'DATA AS OF MAR 31, 2024'.

Column Name	Description	API Field Name	Data Type
Award Date	Date when the contract was issued.	award_date	DATE
Quarter and Fiscal Year	Fiscal Year when the award was made. The World Bank Group's fiscal year starts on July 1st and ends on June 30th of the following year.	quarter_and_fiscal_year	STRING

IBRD SOURCE DATA

The International Bank for Reconstruction and Development (IBRD) lends to governments of middle-income and creditworthy low-income countries. IBRD is the original World Bank institution. It works closely with the rest of the World Bank Group to help developing countries reduce poverty, promote economic growth, and build prosperity. FINANCIAL STATEMENTS
