Other Relevant Procurement Information.

To support emergency response, the project will utilize rapid disbursement procedures and simplified procurement processes in accordance with emergency operations norms.

The proposed procurement approach prioritizes fast track emergency procurement for the emergency goods, works and services needed. Key measures to fast track procurement include: (i) use of simple and fast procurement and selection methods fit for an emergency situation including direct contracting, as appropriate, (ii) streamlined competitive procedures with shorter bidding time, (iii) use of framework agreements including existing ones, (iv) procurement from UN Agencies enabled and expedited by Bank procedures and templates, (v) use of procurement agents, (vi) force account, as needed, and (vii) increased thresholds for Requests For Quotations and national procurement among others, as well as minimal or no prior review for emergency procurement.
