for project details

\$1.1 B Total new financing
\$789M IDA
\$93.58 M new GEF &
Adaptation trust funds
\$227.08 M other sources
(including Govts,
beneficiaries)

12 country projects
6 approved by Bank Board
(of which 5 are effective)
6 under preparation

1 regional project: Building
Resilience through
Innovation, Communication
and Knowledge Services
(BRICKS)

BENIN

Forests and Adjacent Lands Management Project

[Main Map](#)

\$7.56 M total financing
GEF: \$5.56 M
IDA: \$2 M
Govt: TBD

Approved by World Bank Board
March 2013

PDO - To assist Benin's effort to lay the foundation for a collective integrated ecosystem management system for its forests and adjacent lands

Sahel and West Africa Program (SAWAP)
in Support of the Great Green Wall Initiative

BURKINA FASO

Third Community-Based Rural Development Project

TERRAFRICA
REGIONAL SUSTAINABLE LAND MANAGEMENT

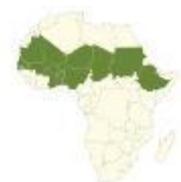

[Main Map](#)

**\$77.41 M total
financing
GEF : \$7.41 M IDA:
\$70 M
Govt/Communities:
\$15.98**

Under implementation since January 2013

Sahel and West Africa Program (SAWAP)
in Support of the Great Green Wall Initiative

PDO - To support rural communities and producer organizations in increasing the production of selected crops and livestock species in selected areas of the Recipient's territory, and the use of sustainable land and water management practices in climate vulnerable ecosystems.

ETHIOPIA

Sustainable Land Management Project II

TERRAFRICA
REGIONAL SUSTAINABLE LAND MANAGEMENT

Main Map

\$105.61 M total financing
GEF: \$12.96 M
IDA: \$50 M
Govt: \$2
Norway: \$42.65 M

Negotiated
September 2013

PDO - To reduce land degradation and improve land productivity in selected watersheds in targeted regions in Ethiopia

Main Map

\$13.75 M total financing
GEF: \$8.75 M
GEF-4: \$5 M
Govt: TDB

Under preparation

PDO – To demonstrate improved sustainable land and water management practices aimed at reducing land degradation and enhancing maintenance of biodiversity in selected micro-watersheds; and strengthen spatial planning for identification of linked watershed investments in the Northern Savannah region of Ghana.

Main Map

**\$20.42 M total
financing**
GEF: \$8.42 M
IDA: \$ 12 M
Govt: TBD

**Negotiated
October 2013**

PDO - To expand the adoption of sustainable land and water management practices in targeted communes in Mali

MAURITANIA

Agriculture Sector Support Project

Main Map

**\$15.20 M total
financing**
GEF: \$5.20 M
IDA: \$10 M
Govt: TBD

Under preparation

PDO - Project is aligned with Mauritania's Rural Sector Development and Inclusive Green Growth Strategies. It is partially blended with the new Mauritania Irrigation Project, and builds on lessons from the Community Based Watershed Management Project.

Sahel and West Africa Program (SAWAP)
in Support of the Great Green Wall Initiative

NIGER

Third Community Action Program Support Project

Main Map

\$48.17 M total financing

GEF: \$4.52 M

IDA: \$40 M

Local beneficiaries:

\$3.65 M

**Under implementation since
September 2013**

PDO - To strengthen Niger's local development planning and implementation capacities, including the capacity to respond promptly and effectively to an eligible crisis or emergency, and to improve the access of the targeted population to social and economic services.

GEO - To promote sustainable land and natural resources management and productive investments at the commune level in selected areas of Niger (GEO).

Sahel and West Africa Program (SAWAP)
in Support of the Great Green Wall Initiative

NIGERIA

Erosion & Watershed Management Project (NEWMAP)

Main Map

\$658.59 M total financing
GEF: \$8.59 M
IDA: \$500 M
Govt: \$150 M

**Under implementation since
September 2013**

PDO - To reduce vulnerability to soil erosion in targeted sub-watersheds.

SENEGAL

Sustainable and Inclusive Agribusiness Project

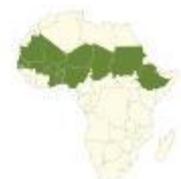

Main Map

\$86.02 M total financing
GEF: \$6.02 M
IDA: \$80 M
Govt: TBD

Appraised

PDO - To develop inclusive commercial agriculture and sustainable land management in project areas

Sahel and West Africa Program (SAWAP)
in Support of the Great Green Wall Initiative

SUDAN

Sustainable Land and Water Management Project

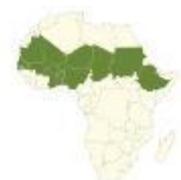

Main Map

\$7.73 M total financing
GEF: \$7.73 M
Govt: TBD

Appraised

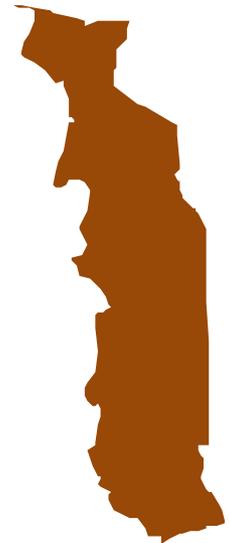

PDO - To increase adoption of sustainable land and water management (SLWM) practices in targeted landscapes of selected States of Sudan.

Sahel and West Africa Program (SAWAP)
in Support of the Great Green Wall Initiative

Main Map

\$16.96 M total financing
GEF: \$9.16 M
GFDRR and TerrAfrica trust funds: \$7.80 M

Under implementation since September 2012

PDO- To strengthen institutional capacity of targeted institutions to manage the risk of flooding and land degradation in targeted rural and urban areas.

Main Map

Total: \$14.6M

- GEF: **\$4.6M**
- In-kind support from regional institutions: **\$5M**
- TerrAfrica Leveraging Fund: **\$5M**

BRICKS supports 12 country projects by providing operational services to help identify **innovations**, promote them through better **communication** and put **knowledge** into use in investment to build resilience.

Implemented by regional centers of excellence:

- **CILSS** - Interstate Committee for Drought Control in the Sahel
- **OSS** - Observatoire du Sahara et du Sahel
- **IUCN** W and C Africa Office

PDO - To improve accessibility of best practices and monitoring information within the Sahel and West Africa Program portfolio on integrated management of land and land use change.
