(b) The Borrower shall open, prior to furnishing to the Association the first request for withdrawal from the Credit Account, and thereafter maintain in BOU, a deposit account in Dollars on terms and conditions satisfactory to the Association. All withdrawals from the Credit Account shall be deposited by the Association into the Deposit Account.

(c) The Borrower undertakes that the proceeds of the Credit shall not be used to finance expenditures excluded pursuant to the provisions of Schedule 1 to this Agreement. If the Association shall have determined at any time that any proceeds of the Credit shall have been used to make a payment for an expenditure so excluded, the Borrower shall, promptly upon notice from the Association: (i) deposit into the Deposit Account an amount equal to the amount of said payment; or (ii) if the Association shall so request, refund such amount to the Association. Amounts refunded to the Association upon such request shall be credited to the Credit Account for cancellation.

Section 2.03. The Closing Date shall be March 31, 2002 or such later date as the Association shall establish. The Association shall promptly notify the Borrower of such later date.

(b) The commitment charge shall accrue: (i) from the date sixty days after the date of this Agreement (the accrual date) to the respective dates on which amounts shall be withdrawn by the Borrower from the Credit Account or cancelled; and (ii) at the rate set as of the June 30 immediately preceding the accrual date and at such other rates as may be set from time to time thereafter pursuant to paragraph (a) above. The rate set as of June 30 in each year shall be applied from the next date in that year specified in Section 2.06 of this Agreement.

(c) The commitment charge shall be paid: (i) at such places as the Association shall reasonably request; (ii) without restrictions of any kind imposed by, or in the territory of, the Borrower; and (iii) in the currency specified in this Agreement for the purposes of Section 4.02 of the General Conditions or in such other eligible currency or currencies as may from time to time be designated or selected pursuant to the provisions of that Section.

Section 2.05. The Borrower shall pay to the Association a service charge at the rate of three-fourths of one percent (3/4 of 1%) per annum on the principal amount of the Credit withdrawn and outstanding from time to time.

a minimum of five years on such repayment of principal.

(c) If so requested by the Borrower, the Association may revise the modification referred to in paragraph (b) above to include, in lieu of some or all of the increase in the amounts of such installments, the payment of interest at an annual rate agreed with the Association on the principal amount of the Credit withdrawn and outstanding from time to time, provided that, in the judgment of the Association, such revision shall not change the grant element obtained under the above-mentioned repayment modification.

(d) If, at any time after a modification of terms pursuant to paragraph (b) above, the Association determines that the Borrower's economic condition has deteriorated significantly, the Association may, if so requested by the Borrower, further modify the terms of repayment to conform to the schedule of installments as provided in paragraph (a) above.
