5. Without limitation to the provisions of paragraph B.1 of this Section, the Association retains the right to conduct an investigation in connection with the information referred to in paragraph B.1(a) of this Section and any information provided to the Recipient regarding allegations of corrupt, fraudulent, coercive, or collusive practice in connection with the bidding process, the award, or implementation of any contract to be or being financed out of the proceeds of the Financing, except that the Association may not investigate the Recipient or other United Nations agency.
