**Re: IBRD Loan 9048-BA (Additional Financing for Real Estate Registration Project)
Additional Instructions: Disbursement and Financial Information Letter (DFIL)**

Excellency:

I refer to the Loan Agreement between Bosnia and Herzegovina (the "Borrower") and the International Bank for Reconstruction and Development (the "Bank") for the above-referenced Project. The General Conditions, as defined in the Loan Agreement, provide that the Borrower may from time to time request withdrawals of Loan Amounts from the Loan Account in accordance with the Disbursement and Financial Information Letter, and such additional instructions as the Bank may specify from time to time by notice to the Borrower. The General Conditions also provide that the Disbursement and Financial Information Letter may set out Project specific financial reporting requirements. This letter constitutes such Disbursement and Financial Information Letter ("DFIL") and may be revised from time to time.

I. Disbursement Arrangements, Withdrawal of Loan Funds, and Reporting on Uses of Loan Funds

The Disbursement Guidelines for Investment Project Financing, dated February 2017, ("Disbursement Guidelines") are available in the Bank's public website at <https://www.worldbank.org> and its secure website "Client Connection" at <https://clientconnection.worldbank.org>. The Disbursement Guidelines are an integral part of the DFIL, and the manner in which the provisions in the Disbursement Guidelines apply to the Loan is specified below.

(i) Disbursement Arrangements

The table in Schedule 1 sets out the disbursement methods which may be used by the Borrower, information on registration of authorized signatures, processing of withdrawal applications (including minimum value of applications and processing of advances), instructions on supporting documentation, and frequency of reporting on the Designated Accounts.

(ii) Electronic Delivery. Section 10.01 (c) of the General Conditions:

The Borrower will electronically deliver applications (with supporting documents) through the Bank's web-based portal (<https://clientconnection.worldbank.org>) "Client Connection". This facility will become available once: (a) the Borrower has designated in writing, its officials who are authorized to sign and deliver Applications and to receive Secure Identification Credentials ("SIDC") from the Bank for the purpose of delivering such Applications by electronic means; and (b) all such officials designated by the Borrower have registered as users of "Client Connection". The designated officials will deliver Applications electronically by completing the Form 2380, which is accessible through "Client Connection". By signing the Authorized Signatory Letter, the Borrower confirms that it is authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications and supporting documents

to the Bank by electronic means. The Borrower may exercise the option of preparing and delivering Applications in paper form on an exceptional basis (including when encountering legislative limitations), and when pre-agreed with the Bank. The Bank reserves the right and may, in its sole discretion, temporarily or permanently disallow the electronic delivery of Applications by the Borrower. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Borrower confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation, available in the Bank's public website at <https://worldbank.org> and "Client Connection"; and (b) to cause such official to abide by those terms and conditions.

II. Financial Reports and Audits

(i) Financial Reports. The Borrower shall cause the FBiH and RS to prepare and furnish to the Bank not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports (IFR) for their respective Parts of the Project covering the quarter, in form and substance satisfactory to the Bank.

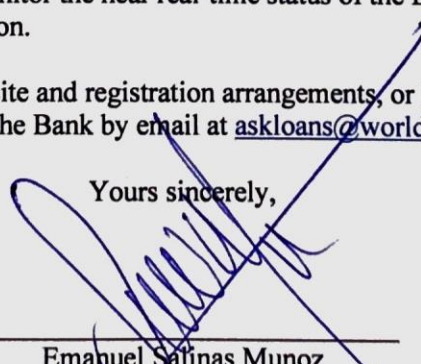

(ii) Project Audits. The Borrower shall have the Project financial statements periodically audited by independent auditors acceptable to the Bank, in accordance with consistently applied auditing standards acceptable to the Bank. Each audit of the Project Financial Statements shall cover the period of one fiscal year of the Borrower. The audited Project Financial Statements for each such period shall be (a) furnished to the Bank not later than six (6) months after the end of such period and (b) made publicly available in a timely fashion and in a manner acceptable to the Bank.

III. Other Information

For additional information on disbursement arrangements, please refer to the Loan Handbook available on the Bank's website (<http://www.worldbank.org/>) and "Client Connection". The Bank recommends that you register as a user of "Client Connection". From this website you will be able to prepare and deliver Applications, monitor the near real-time status of the Loan, and retrieve related policy, financial, and procurement information.
