Re: Credit No. 1880 NIR (Energy Project)  
Amendment to DANIDA Grant Agreement

Excellency,

We refer to the above-mentioned Grant Agreement, dated March 18, 1988, between the Republic of Niger (the Borrower) and the International Development Association (the Association), acting as Administrator of Grant Funds provided by the Danish International Development Agency (DANIDA), as subsequently amended by an amendment letter, dated February 3, 1989, signed by the same parties. We also refer to your letter, dated August 29, 1989, requesting the Association to increase the disbursement percentages indicated in the Grant Agreement for all expenditures financed under that Agreement.

We are pleased to inform you that DANIDA has acceded to your request and that, accordingly, the Association hereby agrees to amend the table in paragraph 1 of Schedule 1 to the Grant Agreement as follows:

Category	Amount of the Grant Allocated (Expressed in Dollar Equivalent)	% of Expenditures to be financed
(1) Part A of the Project:		
(a) civil works, goods, consul- tants' services and training (except for Part A.4), and operating costs	9,700,000	100%
(b) goods and services for Part A.4, and operating costs	600,000	100%

This amendment shall be deemed to have taken effect as of March 18, 1988.

Please confirm your agreement to the foregoing amendment, on behalf of the Borrower, by signing and dating the confirmation form on the enclosed copy of this letter and returning it to us for our records.

Sincerely yours,

Florent Agueh
