## Re: IDA Credit No. 6542-MD Higher Education Project Additional Instructions: Disbursement and Financial Information Letter (DFIL)

Excellency:

I refer to the Financing Agreement ("Agreement") between International Development Association ("Association"), and Republic of Moldova ("Recipient") for the above-referenced project, dated <u>19-May-2020</u>. The General Conditions, as defined in the Financing Agreement, provide that the Recipient may from time to time request withdrawals of Credit amounts from the Credit Account in accordance with the Disbursement and Financial Information Letter, and such additional instructions as the Association may specify from time to time by notice to the Recipient. The General Conditions also provide that the Disbursement and Financial Information Letter may specify Project specific financial reporting requirements.

# I. Disbursement Arrangements, Withdrawal and Reporting of Credit Proceeds

The Disbursement Guidelines for Investment Project Financing, dated February 2017, public ("Disbursement Guidelines") are available in the Association's website at "Client https://www.worldbank.org its website Connection" and secure at https://clientconnection.worldbank.org. The Disbursement Guidelines are an integral part of this DFIL, and the manner in which the provisions in the Disbursement Guidelines apply to the Credit is specified below.

## (i) Disbursement Arrangements

- *General Provisions* (Schedule 1). The table in Schedule 1 sets out the disbursement methods which may be used by the Recipient, information on registration of authorized signatures, processing of withdrawal applications (including minimum value of applications and processing of advances), instructions on supporting documentation, and frequency of reporting on the Designated Account.
- *Special Provision.* Projects in situations of urgent need of assistance or capacity constraints: Disbursements under contracts for goods, works, non-consulting services and consulting services procured or selected through international open or limited competition or Direct Selection, as set out in the procurement plan, must be made only through Direct Payment and/or Special Commitment disbursement methods.

(*ii*) Electronic Delivery. Refer to section 11.01 (c) of the General Conditions.

The Recipient will deliver Withdrawal Applications (with supporting documents) electronically through the Association's web-based portal "Client Connection" at <u>https://clientconnection.worldbank.org</u>. This option will be effected after the officials designated in writing by the Recipient who are authorized to

sign and deliver Withdrawal Applications have registered as users of "Client Connection". The designated officials will deliver Applications electronically by completing the Form 2380, which is accessible through "Client Connection". By signing the Authorized Signatory Letter, the Recipient confirms that it is authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications and supporting documents to the Association by electronic means. The Recipient may exercise the option of preparing and delivering Withdrawal Applications in paper form on exceptional cases (including those where the Recipient encounters legal limitations), and which were previously agreed with the Association. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Recipient confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation, available in the Association's public website at https://worldbank.org and "Client Connection"; and (b) to cause such official to abide by those terms and conditions.

# **II.** Financial Reports and Audits

(*i*) *Financial Reports*. The Recipient shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports ("IFR") for the Project covering the quarter.

(*ii*) *Audits*. Each audit of the Project Financial Statements must cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period must be furnished to the Association not later than six (6) months after the end of such period.

## **III. Other Information**

For additional information on disbursement arrangements, please refer to the Loan Handbook available on the Association's website (http://www.worldbank.org/) and "Client Connection".
