Re: Dutch Grant related to Credit 2087-UG
(Second Economic Recovery Credit)
Amendment

Dear Mr. Minister:

We refer to the Dutch Grant Agreement for the above-referenced Credit dated December 20, 1991 between the Republic of Uganda (the Grantee) and the International Development Association (the Administrator).

Having noted the Bank of Uganda's request to increase the authorized allocation in the special account, we propose that paragraph I (b) of the Schedule to the Dutch Grant Agreement be amended by increasing the authorized allocation from US\$1,000,000 to US\$10,000,000.

Please confirm your agreement to the foregoing proposed amendment by signing, dating and returning the enclosed copy of this letter to us, at which time the amendment shall constitute a binding agreement between the Grantee and the Administrator.

Very truly yours,

as Administrator of Dutch Funds
