and  
INTERNATIONAL DEVELOPMENT ASSOCIATION**

(acting as administrator of the Health Emergency Preparedness and Response  
Trust Fund)

---

---

**HEPRTF GRANT NUMBER TF0B6141**

**HEALTH EMERGENCY PREPAREDNESS AND RESPONSE TRUST FUND**

**GRANT AGREEMENT**

AGREEMENT dated as of the Signature Date between REPUBLIC OF LIBERIA (“Recipient”) and INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT and INTERNATIONAL DEVELOPMENT ASSOCIATION (“Bank”), acting as administrator of Health Emergency Preparedness and Response Trust Fund. The Recipient and the Bank hereby agree as follows:

**Article I**

**Standard Conditions; Definitions**

- 1.01. The Standard Conditions (as defined in the Appendix to this Agreement) apply to and form part of this Agreement.
- 1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the Standard Conditions or in the Appendix to this Agreement.

**Article II**

**The Project**

- 2.01. The Recipient declares its commitment to the objective of the project described in Schedule 1 to this Agreement (“Project”) and the MPA Program. To this end, the Recipient shall carry out the Project in accordance with the provisions of Article II of the Standard Conditions and Schedule 2 to this Agreement.

**Article III**

**The Grant**

- 3.01. The Bank agrees to extend to the Recipient a grant in an amount not to exceed one million United States Dollars (\$1,000,000) (“Grant”) to assist in financing Part A.2 of the Project.
- 3.02. The Recipient may withdraw the proceeds of the Grant in accordance with Section III of Schedule 2 to this Agreement.
- 3.03. The Grant is funded out of the abovementioned trust fund for which the Bank receives periodic contributions from the donors to the trust fund. In accordance with Section 3.02 of the Standard Conditions, the Bank’s payment obligations in connection with this Agreement are limited to the amount of funds made available to

it by the donors under the abovementioned trust fund, and the Recipient's right to withdraw the Grant proceeds is subject to the availability of such funds.

#### **Article IV Effectiveness; Termination**

- 4.01. This Agreement shall not become effective until evidence satisfactory to the Bank has been furnished to the Bank that the following condition has been satisfied, namely, that the Financing Agreement has been executed and delivered and all conditions precedent to its effectiveness or to the right of the Recipient to make withdrawals under it (other than the effectiveness of this Agreement) have been fulfilled.
- 4.02. By signing the Grant Agreement, the Recipient shall be deemed to represent and warrant that on the Signature Date, the Grant Agreement has been duly authorized by, and executed and delivered on behalf of, the Recipient and is legally binding upon the Recipient in accordance with its terms, except where additional action is required to make such Grant Agreement legally binding. Where additional action is required following the Signature Date, the Recipient shall notify the Bank when such additional action has been taken. By providing such notification, the Recipient shall be deemed to represent and warrant that on the date of such notification the Grant Agreement is legally binding upon the Recipient in accordance with its terms.
- 4.03. Except as the Recipient and the Bank shall otherwise agree, this Agreement shall enter into effect on the date upon which the Bank dispatches to the Recipient notice of its acceptance of the evidence required pursuant to Section 4.01 ("Effective Date"). If, before the Effective Date, any event has occurred which would have entitled the Bank to suspend the right of the Recipient to make withdrawals from the Grant Account if this Agreement had been effective, the Bank may postpone the dispatch of the notice referred to in this Section until such event (or events) has (or have) ceased to exist.
- 4.04. Termination for Failure to Become Effective. This Agreement and all obligations of the parties under it shall terminate if it has not entered into effect by the date ninety (90) days after the date of this Agreement, unless the Bank, after consideration of the reasons for the delay, establishes a later date for the purpose of this Section. The Bank shall promptly notify the Recipient of such later date.

#### **Article V Recipient's Representative; Addresses**

- 5.01. The Recipient's Representative referred to in Section 7.02 of the Standard Conditions is its minister responsible for finance.
- 5.02. For purposes of Section 7.01 of the Standard Conditions:

- (a) the Recipient's address is:

## **SCHEDULE 1**

### **Project Description**

The objective of the Project is to prepare and respond to the COVID-19 pandemic in Liberia.

The Project constitutes a phase of the MPA Program, and consists of the following parts:

#### **Part A. Emergency Preparedness and Response**

1. Supporting the Recipient's health sector in the procurement of Project COVID-19 Vaccines, including the acquisition, freight and transport of Project COVID-19 Vaccines.
2. Supporting Project COVID-19 Vaccine preparation and deployment, including:  
(a) coordination mechanisms at the national, regional and country-levels;  
(b) developing targeting strategies for each priority group; (c) developing legal regulatory documents, including the aspects related to personal data protection;  
(d) developing operational micro-plans and budgets; (e) adoption of global tools and adaptation of the supply chain systems to best practices, including strengthening the cold-chain; (f) acquisition of ancillary supply kits (including waste management boxes, cold boxes, vaccine carriers, vaccination record cards for each Project Covid-19 Vaccine recipient, and personal protective equipment for vaccinators, solar powered refrigerators/freezers, and related supplies);  
(g) distribution of Project COVID-19 Vaccines to the last mile including, transportation, cold-chain equipment, consumable and related costs to ensure equitable distribution of vaccines across all priority groups with a special focus on people with disabilities and the most vulnerable; and (h) deployment of health workers/medical staff to accelerate vaccine roll-out.
3. Strengthening the laboratory system, surveillance, clinical care and vaccine pharmacovigilance, *inter alia*: (a) improving case detection, confirmation, contact tracing, recording, reporting and surveillance; (b) strengthening laboratory system for the diagnosis of COVID-19 and other infectious diseases, and procurement of tests and consumables; (c) strengthening the acute management of clinical cases of COVID-19 patients; (d) pharmacovigilance and monitoring of cases of adverse events following immunization; (e) developing and adapting tools and guidelines for monitoring and evaluation of the vaccination campaign and detection of adverse events following immunization; (f) provision of training to those involved in vaccine deployment on adverse events following immunization; and (g) acquisition and dissemination of emergency kits for anaphylactic shock management, resuscitation equipment.

4. Strengthening community engagement, risk communication and surveillance preparedness for Project COVID-19 Vaccine deployment, including rebuilding and strengthening community and citizen trust during crises and developing risk management approaches to enhance demand of Project COVID-19 Vaccine, in particular: (a) strengthening community engagement and social mobilization and accountability for vaccine demand and use (e.g., developing systems for community based surveillance, multi-stakeholder engagement, training of community leaders, and related activities); and (b) developing messages and materials, and information to be used in the Project COVID-19 vaccination campaign in limited and recognized platforms.
5. Strengthening the health sector capacity for: (a) integration of vaccine equity and gender inclusion, and carrying out prevention and mitigation measures for sexual exploitation and abuse during the Project COVID-19 Vaccination roll out; (b) implementing the Environmental and Social Standards (ESS) Instruments to ensure compliance with said ESS Instruments during Project implementation; and (c) carrying out a program of water, sanitation and hygiene (WASH) in fixed, semi-fixed and mobile health facilities to mitigate against the spread of COVID-19.

#### **Part B. Program Management and Coordination, Monitoring and Evaluation**

Strengthening the capacity for Project management, monitoring, digital information, management, operational research and learning, including:

1. Strengthening the capacity of national institutions for the coordination and management of the Project management, including: (a) strengthening of public structures for the coordination and management of the Project; (b) the carrying out of financial management and procurement requirements of the Project; (c) the recruitment of additional staff/consultants responsible for overall administration, procurement, and financial management under the Project; (d) the financing of costs associated with Project coordination; and (e) the recruitment of needed additional staff/consultants.
2. Strengthening the monitoring and evaluation aspects of the Project, including:
  - (a) strengthening monitoring and evaluation of prevention and preparedness;
  - (b) building capacity for clinical and public health research, veterinary, and joint-learning across and within Liberia, and the West Africa sub-region, *inter alia*:
    - (i) the provision of training in participatory monitoring and evaluation at all administrative levels, including: (A) the carrying out of evaluation workshops; and (B) the development of an action plan for monitoring and evaluation; and (C) the replication of successful models, and monitoring and reporting on implementation of Environmental and Social Commitment Plan.

- (ii) strengthening the capacity of the PIU for implementation, monitoring and evaluation of the Project.

## **SCHEDULE 2**

### **Project Execution**

#### **Section I. Institutional and Other Arrangements**

##### **A. Institutional Arrangements**

##### **1. National Steering Committee**

The Recipient shall ensure that the National Steering Committee is maintained, at all times during the implementation of the Project, as the policy advisory and oversight body. The National Steering Committee shall be responsible, *inter alia*, for: (a) providing strategic and policy guidance on the implementation of the Project; (b) reviewing progress made towards achieving the Project's objectives; and (c) facilitating coordination of Project activities and removal of any obstacle(s) to the implementation of the Project.

##### **2. The Ministry of Health**

The Recipient shall designate, at all times during the implementation of the Project, the Ministry of Health ("MoH"), with the participation of the National Public Health Institute ("NPHIL") to be responsible for prompt and efficient coordination, oversight and implementation of the Project, and shall take all actions including the provision of funding, personnel and other resources necessary to enable said MOH and NPHIL to perform said functions.

##### **3. Project Implementation Unit**

Without limitation upon the provisions of Section I.A.2 immediately above, the Recipient shall maintain, throughout Project implementation and within the MoH, the Project Implementation Unit ("PIU") with terms of reference, functions, resources, and staff, satisfactory to the Bank. To this end, the PIU shall be responsible for, *inter alia*, day-to-day implementation and management of the Project coordination and management of Project activities, preparing the annual work plans and budget, producing quarterly and annual reports on the basis of a template acceptable to the Bank, monitoring and evaluation of the Project, liaising at all times with the Recipient's national technical coordination taskforce made up of technical working groups, relevant technical departments, and other relevant stakeholders.

##### **4. Project Financial Management Unit**

Without limitation upon the provisions of Section I.A.3 immediately above, the Recipient shall, throughout Project implementation, maintain the PFMU adequately staffed with professionals hired under terms of reference and with

qualifications and experience satisfactory to the Bank. PFMU shall be responsible for carrying out the financial management under the Project, including, without limitation, the responsibility for: (a) the maintenance of accounting records and the preparation of financial statements; (b) the preparation of the financial aspects of the interim unaudited financial reports; (c) the processing of payments; and (d) the preparation of the internal financial audits.

**B. Project Implementation Manual**

1. The Recipient shall carry out the Project in accordance with the Project implementation manual containing: (a) detailed guidelines and procedures for the implementation of the Project, including with respect to: administration and coordination, monitoring and evaluation, financial management, procurement and accounting procedures, environmental and social safeguards, corruption and fraud mitigation measures, a grievance redress mechanism, Compensation Benefits Framework, roles and responsibilities for Project implementation, the modalities for handling Personal Data (i.e., updating personal data collection and processing) in accordance with good international practice; (b) rules and procedures for prioritizing intra-country vaccine allocation following principles established in the WHO Fair Allocation Framework, including an action plan setting out the timeline and steps for implementing such rules; (c) rules and procedures establishing minimum standards for vaccine management and monitoring, including medical and technical criteria, communications and outreach plan, cold chain infrastructure, and other related logistics infrastructure; (d) vaccine distribution plan, including action plan setting out timeline and steps for immunization; and (e) such other arrangements and procedures as shall be required for the effective implementation of the Project, in form and substance satisfactory to the Bank (“Project Implementation Manual”).
2. In case of any conflict between the provisions of the Project Implementation Manual and the provisions of this Agreement, the provisions of this Agreement shall prevail, and except as the Bank shall otherwise agree, the Recipient shall not amend, abrogate or waive any provision of the Project Implementation Manual.

**C. Annual Work Plan and Budget**

1. For purposes of implementation of the Project, the Recipient shall:
  - (a) Not later than December 31 of each Fiscal Year during the implementation of the Project, prepare and furnish to the Bank subsequent Annual Work Plans. Said Annual Work Plan(s) containing all activities proposed to be included in the Project during the following Fiscal Year, and a proposed financing plan for expenditures required for such activities, setting forth the proposed sources of financing.

- (b) Each such proposed Annual Work Plan shall specify any Training activities that may be required under the Project, including: (i) the type of Training; (ii) the purpose of the Training; (iii) the personnel to be trained; (iv) the institution or individual who will conduct the Training; (v) the location and duration of the Training; and (vi) the cost of the Training.
- (c) The Recipient shall afford the Bank a reasonable opportunity to exchange views with the Recipient on each such Annual Work Plan and thereafter ensure that the Project is implemented with due diligence during said following Fiscal Year in accordance with such work plan and budget as shall have been approved by the Bank.

**D. Environmental and Social Standards**

1. The Recipient shall, ensure that the Project is carried out in accordance with the Environmental and Social Standards, in a manner acceptable to the Bank.
2. Without limitation upon paragraph 1 above, the Recipient shall, ensure that the Project is implemented in accordance with the Environmental and Social Commitment Plan (“ESCP”), in a manner acceptable to the Bank. To this end, the Recipient shall, ensure that:
  - (a) the measures and actions specified in the ESCP are implemented with due diligence and efficiency, as provided in the ESCP;
  - (b) sufficient funds are available to cover the costs of implementing the ESCP;
  - (c) policies and procedures are maintained, and qualified and experienced staff in adequate numbers are retained to implement the ESCP, as provided in the ESCP; and
  - (d) the ESCP, or any provision thereof, is not amended, repealed, suspended or waived, except as the Bank shall otherwise agree in writing, as specified in the ESCP, and ensure that the revised ESCP is disclosed promptly thereafter.
3. Without limitation upon the provisions of paragraph 2 above, if 60 days prior to the Closing Date, the Bank determines that there are measures and actions specified in the ESCP which will not be completed by the Closing Date, the Recipient shall: (a) not later than 30 days before the Closing Date, prepare and present to the Bank, an action plan satisfactory to the Bank on the outstanding measures and actions, including a timetable and budget allocation for such measures and actions (which action plan shall deemed to be considered an amendment of the ESCP); and (b) thereafter, carry out said action plan in accordance with its terms and in a manner acceptable to the Bank.

4. In case of any inconsistencies between the ESCP and the provisions of this Agreement, the provisions of this Agreement shall prevail.
5. The Recipient shall, ensure that:
  - (a) all measures necessary are taken to collect, compile, and furnish to the Bank through regular reports, with the frequency specified in the ESCP, and promptly in a separate report or reports, if so requested by the Bank, information on the status of compliance with the ESCP and the environmental and social instruments referred to therein, all such reports in form and substance acceptable to the Bank, setting out, *inter alia*: (i) the status of implementation of the ESCP; (ii) conditions, if any, which interfere or threaten to interfere with the implementation of the ESCP; and (iii) corrective and preventive measures taken or required to be taken to address such conditions; and
  - (b) the Bank is promptly notified of any incident or accident related to or having an impact on the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers, including, in accordance with the ESCP, the environmental and social instruments referenced therein and the Environmental and Social Standards.
6. The Recipient shall, establish, publicize, maintain and operate an accessible grievance mechanism, to receive and facilitate resolution of concerns and grievances of Project-affected people, and take all measures necessary and appropriate to resolve, or facilitate the resolution of, such concerns and grievances, in a manner acceptable to the Bank.
7. The Recipient shall, ensure that all bidding documents and contracts for civil works under the Project include the obligation of contractors, and subcontractors and supervising entities to: (a) comply with the relevant aspects of ESCP and the environmental and social instruments referred to therein; and (b) adopt and enforce codes of conduct that should be provided to and signed by all workers, detailing measures to address environmental, social, health and safety risks, and the risks of sexual exploitation and abuse, sexual harassment and violence against children, all as applicable to such civil works commissioned or carried out pursuant to said contracts.

**E. Specific Environmental and Social Standards Covenants**

1. The Recipient shall not later than thirty (30) days after the Effective Date update, adopt and re-disclose the (a) Environmental and Social Management Framework

(“ESMF”); and (b) Gender-based Violence (“GBV”) Action Plan, all in form and substance satisfactory to the Bank.

2. The Recipient shall not later than sixty (60) days after the Effective Date:
- (a) recruit to the PIU a social safeguards officer with specific experience in GBV risk management, and terms of reference, experience and qualifications, satisfactory to the Bank.
  - (b) operationalize the Project grievance redress mechanism (GRM), and thereafter, maintain throughout Project implementation, a functional GRM, satisfactory to the Bank; and
  - (c) ensure that National Guidelines for Safe Management of Health Care Waste have been distributed to the vaccination and other facilities where such health waste is generated, in form and substance satisfactory to the Bank.

**G. Standards for COVID-19 Vaccine Approval**

All Project COVID-19 Vaccines shall satisfy the Vaccine Approval Criteria.

**Section II. Project Monitoring, Reporting and Evaluation**

The Recipient shall furnish to the Bank each Project Report not later than forty-five (45) days after the end of each calendar semester, covering the calendar semester. Except as may otherwise be explicitly required or permitted under this Agreement or as may be explicitly requested by the Bank, in sharing any information, report or document related to the activities described in Schedule 1 of this Agreement, the Recipient shall ensure that such information, report or document does not include Personal Data.

**Section III. Withdrawal of Grant Proceeds**

**A. General**

1. The Recipient may withdraw the proceeds of the Grant in accordance with the provisions of: (a) Article III of the Standard Conditions; and (b) this Section; to finance Eligible Expenditures in the amount allocated and, if applicable, up to the percentage set forth against each Category of the following table.

Category	Amount of the Grant Allocated (expressed in USD)	Percentage of Expenditures to be Financed (inclusive of Taxes)
