In accordance with paragraph 5.9 of the “World Bank Procurement Regulations for IPF Borrowers” (July 2016) (“Procurement Regulations”) the Bank’s Systematic Tracking and Exchanges in Procurement (STEP) system will be used to prepare, clear and update Procurement Plans and conduct all procurement transactions for the Project.

This textual part along with the Procurement Plan tables in STEP constitute the Procurement Plan for the Project. The following conditions apply to all procurement activities in the Procurement Plan. The other elements of the Procurement Plan as required under paragraph 4.4 of the Procurement Regulations are set forth in STEP.

The Bank’s Standard Procurement Documents: shall be used for all contracts subject to international competitive procurement and those contracts as specified in the Procurement Plan tables in STEP.

National Procurement Arrangements:

In accordance with paragraph 5.3 of the Procurement Regulations, when approaching the national market, procurement under World Bank financed operations may be carried out in accordance with “Single-Stage Bidding” method set forth in the Public Procurement Law of the Republic of Uzbekistan dated April 9, 2018(the “PPL), provided that such arrangements continue to meet requirements of the paragraph 5.4 of the Procurement Regulations and the following conditions:

- The request for bids/request for proposals document shall require that bidders/proposers submitting bids/proposals present a signed acceptance at the time of bidding, to be incorporated in any resulting contracts, confirming application of, and compliance with, Bank Anti-Corruption Guidelines, including without limitation the Bank’s right to sanction and the Bank’s inspection and audit rights;
- Bidding documents, including contract forms, acceptable to the Bank shall be used.

- The Bidding process shall not be cancelled solely on the reason that minimum bid price is larger than the amount allocated by procuring entity for this procurement.
- There shall be no preference applied during procurement of goods and works.
- Implementing agency shall have an option to publish procurement notice without disclosing cost estimate.

Other national procurement arrangements (other than national open competitive procurement) that may be applied by the Borrower shall be consistent with paragraphs 5.5 and 5.6 of the Procurement Regulations.

E-Procurement system in Republic of Uzbekistan will be used to facilitate the e-procurement transactions for World Bank financed projects when the country's own national procurement procedures will be used. In this regard, the e-Reverse Auction module and e-Catalog module can be used for Bank-funded procurement following national market approach for simple goods and works.

Leased Assets as specified under paragraph 5.10 of the Procurement Regulations: Leasing – Not Applicable.

Procurement of Second Hand Goods as specified under paragraph 5.11 of the Procurement Regulations – Not Applicable.

Domestic preference as specified under paragraph 5.51 of the Procurement Regulations for Goods only.
