---

**Introduction**

1. The Project Financial Statements for the year ended 31 March 2016 of Myanmar Extractive Industries Transparency Initiative (MEITI) Project funded by the World Bank implemented during the fiscal year 2015-16 by Budget Department, Ministry of Planning and Finance were audited by the Office of the Auditor General of the Union with supporting documents in accordance with the Generally Accepted Auditing Standards (GAAS).

**Management's Responsibility on Financial Statements**

2. The project's management is responsible for preparation of financial statements which are in line with the project's Financial Management Manual and the Generally Accepted Accounting Principles. And, those statements must be free from material misstatement, whether due to fraud or errors which can lead to the wrong administrative decisions for internal control system.

**Responsibility of Auditor**

3. Our responsibility is to conduct audit on the financial statements in accordance with generally accepted auditing standards and those standards require us to comply with the code of ethics for auditors and to give appropriate audit opinion as per audit findings after conducting audit with reasonable assurance whether material misstatement exists in financial statements.

4. During the audit, regarding to figures and disclosures in financial statements, we obtained audit evidences by evaluating errors and deficiencies and applying audit procedures based on auditor's assessment and judgment. In this regards, we have obtained sufficient audit evidence in order to give audit opinion.

**Audit Opinion**

5. Financial Statements of Myanmar Extractive Industries Transparency Initiatives (MEITI) project for the year ended 31 March 2016, funded by the World Bank, implemented by Budget Department, Ministry of Planning and Finance, have been properly prepared in accordance with recognized standards on accounting for the project.

- For Goods: We bought office furniture and equipment as per procurement plan but some office furniture and equipment have not been purchased due to out of stock at that time.
- For Consultants Services: We set aside USD 130,000 for Independent Administrator's consultancy fees and Communication Skill consultancy fees, but actually we utilized USD 108,575 for IA fees and USD 8,000 for training consultant fees excluding taxes. (Taxes will be incurred by non-consulting services.)
- For Non-Consulting Services: We planned to utilize international bank charges in this category but we have no need to consume bank charges for such remittances.
- For Training and Workshop: We, at first, planned to visit Congo PDR as study tour, and budgeted USD 33,000 for this trip. But this trip did not materialize due to taking time for getting visa.
- For Incremental Operating Cost: We have budgeted USD 5,050 for purchasing office related consumable products but we only utilized USD 3,019 as actual cost due to some items are not eligible for this category.
