Re: Credit No. 1994-TA  
(National Agricultural and Livestock Extension Project)  
Amendment

Dear Sir:

We refer to the Development Credit Agreement for the above-mentioned Project dated May 8, 1989, between the United Republic of Tanzania (the Borrower) and the International Development Association (the Association) and to Mr. Mugasha's letter dated May 2, 1990, requesting an amendment to the definition of Project Area to include the Mara Region instead of the Rukwa Region.

Accordingly Section 1.02 (m) of the Development Credit Agreement is amended to read as follows:

"Project Area" means the area covered by the following regions, Tabora, Singida, Dodoma, Kagera, Mara, Sinyaga, Kilimanjaro, Mtwara, Lindi, Mwanza, Morogoro and Arusha.

All provisions of the Development Credit Agreement as amended herein shall remain in full force and effect.

Sincerely yours,

INTERNATIONAL DEVELOPMENT ASSOCIATION

Sven Sandstrom, Director  
Southern Africa Department
