ARTICLE V

Enforceability of Agreement; Failure to Exercise Rights; Arbitration

Section 5.01. The rights and obligations of the Association, the Administrator and the Recipient under this Agreement shall be valid and enforceable in accordance with their terms notwithstanding the law of any State or political subdivision thereof to the contrary. Neither the Association nor the Administrator nor the Recipient shall be entitled in any proceeding under this Article to assert any claim that any provision of this Agreement is invalid or unenforceable because of any provision of the Articles of Agreement of the Association.

Section 5.02. No delay in exercising, or omission to exercise, any right, power or remedy accruing to any party under this Agreement upon any default shall impair any such right, power or remedy or be construed to be a waiver thereof or an acquiescence in such default. No action of such party in respect of any default, or any acquiescence by it in any default, shall affect or impair any right, power or remedy of such party in respect of any other or subsequent default.

Section 5.03. (a) Any controversy between the parties to this Agreement, and any claim by any such party against any other such party arising under this Agreement which has not been settled by agreement of the parties shall be submitted to arbitration by an Arbitral Tribunal as hereinafter provided.

(b) The parties to such arbitration shall be the Association and the Administrator on the one side and the Recipient on the other side.

(c) The Arbitral Tribunal shall consist of three arbitrators appointed as follows: one arbitrator shall be appointed jointly by the Association and the Administrator; a second arbitrator shall be appointed by the Recipient; and the third arbitrator (hereinafter sometimes called the Umpire) shall be appointed by agreement of the parties or, if they shall not agree, by the President of the International Court of Justice or, failing appointment by said President, by the Secretary-General of the United Nations. If either side shall fail to appoint an arbitrator, such arbitrator shall be appointed by the Umpire. In case any arbitrator appointed in accordance with this Section shall resign, die or become unable to act, a successor arbitrator shall be appointed in the same manner as herein prescribed for the appointment of the original arbitrator and such successor shall have all the powers and duties of such original arbitrator.

(d) An arbitration proceeding may be instituted under this Section upon notice by the party instituting such proceeding to the other party. Such notice shall contain a statement setting forth the nature of the controversy or claim to be submitted to arbitration, the nature of the relief sought and the name of the arbitrator appointed by the party instituting such proceeding. Within thirty days after such notice, the other party shall notify to the party instituting the proceeding the name of the arbitrator appointed by such other party.

(e) If within sixty days after the notice instituting the arbitration proceeding, the parties shall not have agreed upon an Umpire, any party may request the appointment of an Umpire as provided in paragraph (c) of this Section.

(f) The Arbitral Tribunal shall convene at such time and place as shall be fixed by the Umpire. Thereafter, the Arbitral Tribunal shall determine where and when it shall sit.

(g) The Arbitral Tribunal shall decide all questions relating to its

competence and shall, subject to the provisions of this Section and except as the parties shall otherwise agree, determine its procedure. All decisions of the Arbitral Tribunal shall be by majority vote.

(h) The Arbitral Tribunal shall afford to all parties a fair hearing and shall render its award in writing. Such award may be rendered by default. An award signed by a majority of the Arbitral Tribunal shall constitute the award of such Tribunal. A signed counterpart of the award shall be transmitted to each party. Any such award rendered in accordance with the provisions of this Section shall be final and binding upon the parties to this Agreement. Each party shall abide by and comply with any such award rendered by the Arbitral Tribunal in accordance with the provisions of this Section.

(i) The parties shall fix the amount of the remuneration of the arbitrators and such other persons as shall be required for the conduct of the arbitration proceedings. If the parties shall not agree on such amount before the Arbitral Tribunal shall convene, the Arbitral Tribunal shall fix such amount as shall be reasonable under the circumstances. The Association, the Administrator and the Recipient shall each defray its own expenses in the arbitration proceedings. The costs of the Arbitral Tribunal shall be divided between and borne equally by the Association and the Administrator on the one side and the Recipient on the other. Any question concerning the division of the costs of the Arbitral Tribunal or the procedure for payment of such costs shall be determined by the Arbitral Tribunal.

(j) The provisions of arbitration set forth in this Section shall be in lieu of any other procedure for the settlement of controversies between the parties to this Agreement or of any claim by any such party against any other such party arising thereunder.

(k) If, within thirty days after counterparts of the award shall have been delivered to the parties, the award shall not be complied with, any party may: (i) enter judgment upon, or institute a proceeding to enforce, the award in any court of competent jurisdiction against any other party; (ii) enforce such judgment by execution; or (iii) pursue any other appropriate remedy against such other party for the enforcement of the award and the provisions of this Agreement. Notwithstanding the foregoing, this Section shall not authorize any entry of judgment or enforcement of the award against any party that is a member of the Association except as such procedure may be available otherwise than by reason of the provisions of this Section.

(l) Service of any notice or process in connection with any proceeding under this Section or in connection with any proceeding to enforce any award rendered pursuant to this Section shall be in writing. Such notice or request shall be deemed to have been duly given or made when it shall be delivered by hand or by mail, telegram, cable, telex or radiogram to the party to which it is required or permitted to be given or made at such party's address specified in this Agreement or at such other address as such party shall have designated by notice to the party giving such notice or making such request. The parties to this Agreement waive any and all other requirements for the service of any such notice or process.

ARTICLE VI

Section 6.01. This Agreement shall become effective upon its execution by the parties.

Section 6.02. The Recipient may at any time request the Association and the Administrator in writing to terminate the Technical Assistance. Whether or not the Recipient has made such a request, the Administrator may at any time suspend or, after consultation with the Recipient, terminate the right of the Recipient to receive Grant funds for the Technical Assistance if any of the following circumstances shall have occurred and be continuing:

Agreement.

(d) Any event shall have arisen that, in the opinion of the Association or the Administrator, as the case may be, interferes or threatens to interfere with the successful implementation of the Technical Assistance, the accomplishment of its purposes, or the execution of the Technical Assistance in accordance with the terms and conditions of this Agreement.

(e) The Recipient: (i) shall have been suspended from membership in or ceased to be a member of the Association or (ii) shall have ceased to be a member of the International Monetary Fund.

Section 6.03. If the Technical Assistance is suspended or terminated, the Recipient and the Administrator shall consult with each other concerning any further action that may be necessary or desirable.

Section 6.04. The Administrator is not an agent of or trustee for the Recipient and shall not have any fiduciary relationship with the Recipient. The Recipient shall have no right to any portion of the Grant that is not expended by the Administrator pursuant to this Agreement.
